Ponderings From The Pastor

“EXPONENTIAL HOPE [Part Two] FOR LENT”

LOVE IS AT THE BOTTOM...THE FOUNDATION!

My column last month was long. I'll try and keep it a *bit* shorter this month—two pages instead of three!—but still to the point!

Last month I wrote about sweeping changes which our culture (and the Church as part of it) have been going through for some time now. I said that we—the congregation of St. Paul UCC—must learn to SEE and DEAL with change differently...even learning to EMBRACE it, and let go of our FEAR about the future. I reminded all of us that “*perfect love drives out all fear*,” and that God “*works for good in all things for those who love*

God.” I then suggested that we must NOT BE AFRAID of what the future holds for us!...not if we put our money where our mouths are, radically trust God, follow Jesus, and accept change as not just inevitable but as necessary.

I wrote about the “Great Emergence” which the Church Universal has entered; the “Age of the Spirit” we find ourselves in...a strange time in which local congregations of every “tribe” are shrinking and dying, but people are spiritually hungry, clamoring for meaning and purpose as much (if not more) than ever before. It's the end of institutional religion as we've known it...but NOT the end of faith. Once again—be not afraid! The “end of Church” as we know it is bringing the BIRTH of something new...and if we GRASP this time as a time of newness and “birth,” we will have a powerful and healthy future! Remember this quote from Diane Butler Bass (from Christianity After Religion):

Will there still be Christianity after the end of institutional religion? Yes, there will be. But it is going to be different than what Americans have known, a faith responsive to the longings of those who are expecting more spiritual depth and greater ethical integrity rather than more conventional church. Indeed, I suspect that the end of church is only the beginning of a new Great Awakening.

So. Lets get busy! Time for an Awakening! Let's chase after **more spiritual depth** and **greater ethical integrity** at St. Paul UCC! Let's dream together a bit, as we ponder what that might look like...

EVERY member of our church engages in some kind of partnered spiritual growth—a Bible study, a prayer group, meditation groups, book studies, new adult classes, even online learning opportunities; we MULTIPLY many options for spiritual growth, as we all AGREE that Sunday worship alone is NOT enough...that we ALL have to “go deeper” and find “more spiritual depth”...because we recognize that our future DEPENDS upon it.

Ponderings From The Pastor (continued)

- YES, in case you missed it: EVERY MEMBER, regardless of age—no exceptions!
- We add a second, ALTERNATIVE style of worship—a new service, maybe on Sunday, maybe on a weeknight—a service which is NOT for *us*, but for those who are NOT HERE already;
- We fearlessly confront any and all “-isms” which hurt our congregational ethos and integrity (racism, homophobia, sexism, fear of other religions)—we learn to daily PRACTICE the Great Commandment: **love God with all you have and all you are, and love your neighbor as yourself** (see Bullet Number One!); we engage in thoughtful, soulful congregational HEALING activities, including special worship services and prayer meetings.
- We stop worrying about “small stuff,” like coffee in the Sanctuary, using a SCREEN with lyrics on it, using new kinds of instruments, adding a new DIGITAL church sign out front, etc.—and we SPEND MONEY to make happen all of the above, fearlessly tapping “reserve” funds to grow... because we STOP worrying about that proverbial “rainy day” and recognize that our ship is already IN THE FLOOD of change—and we want to pilot the ship rather than watch it flounder out of control.
- We TREAT ONE ANOTHER, ALWAYS, with the dignity, respect, and the personal integrity of a Christ-follower: when we have a problem we GO DIRECTLY (one on one) to the source rather than complaining behind someone’s back...we refuse to gossip and to judge other people, instead viewing them as if in a mirror, with compassion and understanding (“walk in their shoes”), and we PRACTICE FORGIVENESS and HUMILITY as regular spiritual disciplines (see Bullet Number One!)...we DAILY pray for one another, our leaders, and our church.
- We **LET GO OF THE PAST** as we grow in understanding that the past GUARANTEES US NOTHING...that we certainly do stand on the shoulders of all who’ve gone before us—as those forbearers did too, all the while laboring to break new ground (literally at times) in creating their own future—and so must we...as we continue learning the difference between honoring **tradition** (*good*) and serving **traditionalism** (i.e., idolatry, *bad*). And...we ERASE from our congregational lexicon those famous “Seven Last Words” of the Church: “*We never did it that way before!*”
- We give “YES” every possible opportunity...and kick “NO” to the curb whenever/however we can.
- We learn to accept—each and every one of us!!—that theology, doctrines and rituals ALWAYS change over time, and always have...that the Bible is the **living word of God**, but not “God’s literal words,” and that it’s a book *less* about God than about how humans have (often quite badly) *understood* God—and that this understanding evolves and changes as you read through the Bible. We accept that the Bible is limited, sometimes flawed, and OFTEN hard to understand...and that *our* own understanding of scripture requires our very best effort (see Bullet Number One!).
- We seek—each and every one of us!!—God’s help, mercy, and forgiveness EVERY time we find ourselves demanding the church serve “ME”...having forgotten that **we are all here to serve God chiefly by serving others**...that the church is more an outpost of grace than a Sunday morning social club...while at the same time having more fun in church, loosening and lightening up, laughing more, taking ourselves less seriously, and celebrating one another!
- We resolve—each and every one of us!!—to LOVE MORE: to intentionally embody, mirror and reflect GOD’S love to others...starting in our own families and with our fellow church members. And, we anchor this resolve in grasping God’s full embrace and unconditional Love for *ourselves*!

Ponderings From The Pastor (continued)

We already know what that Love looks like: read **1 Corinthians 13** again—that famous passage which ends like this: “*So now faith, hope, and love abide, these three; but the greatest of these is love.*”

Our common future will be discerned in Love, rooted in Love, sustained by Love, and endlessly grow in and share Love. Now, I’m not talking about a wimpy, sickly-sweet, sentimental, romantic, Hollywood-ending-type love...but a *powerful* Cross-bearing, hate-ending, peace-bringing, justice-demanding, evil-confronting, reconciling, healing, world-uniting, **exponentially-hopeful** Love! This kind of love casts out ALL fear....and it is the **ONLY** thing that can. It’s a patient, kind, humble Love, full of goodwill, easy-going, forgiving, selfless, rejoicing in truth. It is **Perfect Love**—GOD—which (or should I say Who) is the FOUNDATION of every other kind of love!

We must let Perfect Love embrace us...envelope us...*change* and transform us...motivate us...equip us...and SEND us. There is not one of us who doesn’t need this Love, and its transforming embrace. And because I know and ACCEPT this Love—even though it’s challenging, and at times even daunting and incomprehensible (in human terms!), I am willing and unafraid to go where it—where GOD—takes us. Last but not least, any *lingering* fear I have in my shadow parts...well...I resolve to try and give that up this year for Lent! And invite Jesus into my heart...*again*...for the umpteenth time!

How about you?

In Christ, for a Prosperous, Emergent, HOPEFUL, LOVE-FILLED Lenten Season,
Pastor Barry

- Discussed Council having Christmas Dinner out somewhere. Will follow up with an e-mail. Mike will look into it.

SCOUTING NEWS

The Cubbies had to postpone their Pinewood Derby due to meetings being cancelled because of snow. They are still very excited and look forward to the derby. They are also finishing up some of their requirements for their rank.

The Troop is busy doing some planning for activities for this year. Snow tubing is happening later this month. They really want to try spelunking... looking for locations in which to do this.

The Crew has rescheduled their Lock In. They will also be holding elections next month, so they are all exploring positions and nominations in early March. They are really getting into working out all the details of our summer trip.

Scout Sunday is February 4th. Thank you St. Paul for sponsoring our units. We truly appreciate having a wonderful place to hold our meetings.

Nursery School

The Nursery School is getting ready for our 10th Annual Carnival where all proceeds go to the Elaine Payne Scholarship Fund. The carnival is set for Saturday, March 3rd from 10:00 AM to 12:00 PM.

The Fellowship Hall will be filled with excitement and fun. During the month of February, the Nursery School hallway will be filled with Baskets that are being raffled off the day of the carnival. Hope you get a chance to stop by and see all the baskets and if you would like to take some chances on them, just let Karen Rieman know. The chances are 50 cents each. Good Luck and thanks for all your support.

We are now taking registrations for fall classes for the 2018- 2019 school year. If you know anyone looking for a preschool, please tell them to check us out!
