

## CHESIE Memorandum of Understanding and Consent of Risk

1. We understand that in-person education may increase the risk of exposure to COVID-19. We consent to the potential increased risk by choosing to enroll in CHESIE for the 2022-2023 school year.
2. We understand that CHESIE teachers will hold classes in the classroom or outside each Thursday at Calvary Chapel Charlottesville Church for the 2022-2023 school year.
3. We understand that CHESIE has added additional health, hygiene, and disinfecting procedures in response to the COVID-19 pandemic.
4. We understand that we are required to assess our child's health and if they have any of the following symptoms, they should not attend CHESIE that day. • Chills, cough, muscle or body aches, nausea or vomiting, diarrhea, shortness of breath, fever greater than 99.9 degrees F. Children should be fever-free for 24 hours prior to attending CHESIE and they should not be medicated to reduce their fever in order to send them to class.
5. We understand that while CHESIE is implementing recommended changes to improve health and safety in response to the COVID-19 pandemic, we also understand that it is not possible for CHESIE to prevent students from getting sick from some type of contagious illness, such as influenza or COVID-19. We understand that there is some risk in having our children take classes at CHESIE.
6. We Release, covenant not to sue, waive, and discharge CHESIE staff or other families participating in the CHESIE classes (hereinafter referred to as "Releasees"), and the Calvary Chapel, Charlottesville Church officers, staff, and members from all liability for my child or myself if we believe that we have contracted any contagious disease such as influenza or COVID-19 while participating at CHESIE.
