

The Iowa Section of ASCE is sponsoring the 2021-2022 Undergraduate Scholarships

**IOWA SECTION of the AMERICAN SOCIETY OF CIVIL ENGINEERS
is administering the
CARL & DOROTHY EKBERG STRUCTURAL ENG. SCHOLARSHIP**

**The Iowa Section of ASCE is looking for a few good students who
Have the desire and ability to succeed in Civil Engineering!**

One \$1,500 (approximately) scholarship will be awarded to the successful applicant. The funds will be provided by the Iowa State University Foundation in the form of a reduction in university tuition. Applicants should meet the following requirements:

- Enrollment in the Civil Engineering curriculum at Iowa State University.
- Have completed at least 75 semester credits at the time of application.
- Demonstrate significant talent and promise in structural engineering.
- Active Member of the Student Chapter of ASCE.
- Is a citizen of the United States.

In addition, applicants will be judged by the following criteria:

- Career path, goals and level of involvement with ASCE.
- Narrative portion of the application.
- Oral interview.
- Academic standing, particularly in structural engineering courses.

Application forms and ASCE membership forms are available through the Faculty Advisor to the Student Chapter of ASCE.
