

Valued Customers Club

At Yoders Heating and Cooling we value all our customers. To show our appreciation, we want to offer you the most convenient & affordable way to take care of your family's indoor comfort.

Take a look at all the great benefits our Valued Customers Club has to offer.

Club Benefits

\$149/Year

Complete Furnace Tune-up and Cleaning

Every Fall one of our professional HVAC technicians will carefully inspect, calibrate, and clean your furnace. This will maximize your systems efficiency, dependability, and ensure safe operation.

Complete Air Conditioner Tune-up and Cleaning

Every spring one of our technicians will be back to carefully clean, calibrate, and inspect your Air Conditioner. This will further maximize your systems efficiency and dependability.

Priority Service

Skip the wait, when it's an emergency, our club customers come first.

No Service Fees/Diagnostic Fees

We are so confident in our tune up process that during normal business hours we will waive all service call and diagnostic fees if your system breaks down. (After hours emergencies will be billed as normal with club discounts.)

Discounts

10% discount for all Repairs, Thermostats, and Indoor air quality products. 3% discount on equipment installations.

Conveniences

No need to remember when your annual maintenance is due. We will contact you to schedule your maintenance visits every spring and fall.

Pay how you want, upfront for the year or pay as you go with monthly payments.

Automatically renews annually so your maintenance never gets forgotten. (Cancel any time with verbal or written notice of cancelation.)
