Church Cluster Directory
(Supplement to Directory & Information Booklet)

As of 2 May 2020

Please join us at:

Note

In August 2019, the Presbyterian Women of the National Capital Presbytery reorganized and renamed its Clusters to correspond to more descriptive geographical regions. Thus, for example, "Cluster H" is now simply "Alexandria". This change was approved along with the revised ByLaws of the NCP PW at the Annual Business Meeting on May 2, 2020.

In order to allow this document to remain relatively stable and to make it available to the public, the Leaders of each Cluster are **not** provided in this Directory; these are provided in the *PW NCP Directory & Information Booklet* available by sending a request to the Secretary from the PW NCP web site (www.presbyterianwomenncp.org). The information provided within is current as of the date shown on the title page.

Churches that do not have active web sites are so noted ("*No web site or email listed*"). These churches may have an active Facebook page instead. The National Capital Presbytery maintains an online directory of all the churches within its Presbytery (thepresbytery.org/about/churches), which was used as a major but not the only resource for compiling this directory.
