

The All-round One

May I pare my will to Yours, oh God
May I bask in Thy glory, inshAllah
The Universe commands my Destiny
and I walk my sacred Path

May my thought reflect purity
May my word and deed do You justice
Jehovah sends many messengers
and I heed the echoes of their voice

May I pay homage with befitting awareness
May I lend my inner ear
Yahweh speaks to me directly
and I am profoundly moved

May I remember all my blessings
May I invoke them also upon my brethren
Shiva sees my noble endeavors
and raises me to bliss
