Ding Dong (Merrily on High!),

Hot off the press the latest news from The Bell in Studham! It's beginning to look a lot like Christmas and as it has been throughout, it continues to be important to us to know that when you visit us that you not only enjoy our food, service and gifts but at this time that you feel safe.

Masks are optional at time of writing but we would encourage you to wear them if in larger groups and especially if it gives you peace of mind, our team will still be wearing them when serving food. The Perspex around the bars will remain for now and table screens are in place should you still want one. Please continue to use the sanitisers and help us to keep each other safe as we move further into winter & 2022.

Our **CHRISTMAS Menu** is available alongside our main men. Reservations are recommended and deposits will be required for larger groups. There is a 10% service charge for groups over 10 that goes straight to the team.

If however you are more comfortable at home then we can offer you our **TAKEAWAY option – even a Christmas Dinner on Christmas Day for collection!** Takeaways can be served on our plates, your plates or in a take away container.

We want you to feel comfortable popping in to the Bell whether this is to enjoy a table for **dinner or a pub lunch**. We have a choice of snacks with jacket potatoes, sandwiches or toasties for a lighter option or pop in for a pint and one of our homemade pies or a quality steak. If you are looking for **vegan or vegetarian** options, our chef will be happy to help or he will come out to see what you may like. Our food is freshly prepared so dishes can be catered to your needs.

Ideal at this time of the year, enjoy the **VILLAGE ADVENT CALENDAR TRAIL** especially with our *four legged friends*, so please stop by, we're No.8! Dogs are welcome in the study bar. While you enjoy some liquid refreshments and a bite to eat, dogs can tuck into one of our doggy dinners. Clean dog bowls are available and complimentary treats too. **Reservations** are recommended for inside but
