An acorn does not have to say, 'I intend to become an oak tree.' Natural intelligence intends that every living thing become the highest form of itself and designs us accordingly.

**The Everyday Wonder of the Body:
Loving This Body**

The best body is the body that is present, here and now. We can use our bodies to experience deep emotions and big feelings. Often, we are taught to hate our bodies or apologize for them, trying to force

them into acceptable and narrow social ideals. At other times, we may ignore our bodies and think of ourselves as spiritual, not physical, as though the two were mutually exclusive. We come closer to and love Source by coming closer to and loving ourselves, including our bodies.

St George Interfaith Council Opportunities

With over 28,000 Hispanics in Washington County the **Centro Latino** serves to teach English and help with other services to help the adjustment into this country. This wonderful service is provided in the church building next to the St George Temple where The Church of Jesus Christ of Latter-day Saints has provided classrooms and spaces. Mike would love to put a poster up in any church or any location plus he and Gordon Hamm will speak to any group that invites them. This much-needed service will bless those who learn English.
