~The Mass Box~ ...

...is a program for 3-7 year olds to help your family get ready for each and every Mass with craft supplies, kids missals, and coloring sheets delivered every month to your door!

The Mass box takes the work out of getting ready for Mass so that your family can spend time together preparing instead of searching for ideas and collecting craft materials. They have also created a YouTube show called Catholic Crafts with Clare to help prepare you and get children excited about the Mass and the crafts.

Check out their website on how you can sign up. This is meant not to take the place of Mass or religious classes, but to be something educational and fun you and your children can do to prepare for the Mass. <https://themassbox.cratejoy.com/>

We plan to have our own "mass box" in back of church to welcome, educate and assist all children who would like so with rosaries, religious coloring kits and spiritual helps~

Reflections—28th Sunday in Ordinary Time

Contemporary Catholic Morality:

We will be covering contemporary morality and Catholic positions on these, on: Oct 17 (7.30pm) and Oct 23 (11.30am), Including: gender and sexuality, marriage, family life, bio-medical issues and upcoming elections and informed voting .Our purpose is to clearly state Catholic moral theology and inform you and entertain discussion and clarification.

Though many of these issues are not explicitly in the Bible, we are privileged as Catholics to have an informed, Biblically based moral teaching to meet modern times. Many current Catholic positions and teachings will clearly be counter cultural—against “modern” biases and stances. So, remember St. Paul’s counsel: “Be not conformed to the world...” (Rm. 12:2). Pope Francis has spoken out on many of these issues as well as our Bishops and theologians, both past and present. Your children, spouse, family and friend members are asking many of these questions and while educational systems, counselors, scientists are teaching on these issues, if not “evangelizing” many. We Catholics need to: be informed on these moral issues; equip ourselves to encounter these moral issues in our daily lives; teach and help others and provide talking points to others.

Elections are coming up: The United States Catholic Conference of Bishops lists inherent evils that can never be directly supported in a candidate: abortion; embryonic stem cell research; euthanasia; non-traditional-un-biblical marriage; racism; killing of non-combatants in battle-war . We also need in considering a candidate, such issues as poverty and hunger, the environment, health care, immigration, military . While all issues are important, inherent evils hold gravity of consideration, and with other issues to be considered also.

Mission Readiness and Changes of Parishes in the Archdiocese of Baltimore

Archbishop Lori met with all his priests ten days ago and a major committee proposed to him and all us priests significant changes in the Archdiocese: going from a total of about 120 parishes in the diocese to 85-90 within 3 years; making “pastorates,” a single priest-pastor in charge of a parish or couple of parishes in a certain geographic area; these “pastorates” may have one or more priests but still one single pastor, and a single staff and central office. The next step is review of these proposed models in our area—central-western Maryland, on Nov. 9. So far so good, keep praying, volunteering and We hope to have the proposed (intermediate) model for review online at our website:

"Prayer for Our Nation"

God our Father, giver of life, we entrust the United States of America to your loving care. You are the rock on which this nation was founded. You alone are the true source of our cherished rights to life, liberty and the pursuit of happiness.

Send Your Holy Spirit to touch the hearts of our nations leaders and remind them of the true worth of human life and the responsibilities that accompany human freedom. Remind us that true happiness is rooted in seeking and doing your will. Through the intercession of Mary Immaculate, patroness of our land, help us to reject the culture of death. Lead us to eternal life.

We ask this through Christ Our Lord!

AMEN!

St. Paul Street Evangelization is a grass roots, non-profit organization, dedicated to responding to the mandate of Jesus to preach the Gospel to all nations by taking our Catholic Faith to the streets. We do this in a non-confrontational way, allowing the Holy spirit to move in the hearts of those who witness our public Catholic presence.

We are blessed to have Bob and Eun Yea join us this Sunday after Mass to tell us about their pilgrimage on the Camino in Spain!

Reflective Questions from Williams' walk and talk:
How will you be heroic in your faith life?
How can you serve the Lord in your life now?
What is God calling you to do and respond?
