The Everyday Wonder of Relationship: The One and Only

**If you could only sense how important you are
to the lives of those you meet;
There is something of yourself that you leave at
every meeting with another person.

The Everyday Wonder of Relationship

There is only God. The way we relate to ourselves, one another, the world, and with The Universal Power are all interconnected and inseparable. We cannot claim to love God while hating ourselves. We cannot declare that it is a Just and Equitable Universe while treating others (people, animals, the Earth) unjustly and inequitably.

This month is the invitation to anchor in the Spiritual Practice of Engaged Relationships and actively revel in the wonder of how each relationship is ultimately a relationship of Spirit with ItSelf.

God is all there is. There is nothing that can exist outside of God since there is no outside of God! Which means everything and everyone, no matter the external, dualistic appearance, is intimately and wonderfully

demonstrating a relationship with Spirit. This relationship is either discordant or harmonious by our choosing. Today, let us reassess how we will choose to show up in this loving and wonderful relationship.
