

22nd November 2022

Dear Customer,

Please note that after a somewhat exhausting year we will be taking a break over the festive period – Our last regular delivery before Christmas will be on THURSDAY 22nd December. Our delivery service will resume with a shortened menu delivery on WEDNESDAY 18th January and Our full regular service will resume the following week on FRIDAY 27th January.

We recommend that you consider purchasing a few extra meals over the next few weeks for your freezer to cover our absence. Our meals will last for up to 3 months in your freezer if frozen before the use by date on the meal lid.

We are also pleased to offer our 'Christmas Lunch Special' to all of our regular customers which will be delivered on Christmas Eve. This meal must be ordered and paid for before 15th December. Payment instructions are on the reverse of the 'Flyer' which you should receive with this notice.

*****PLEASE NOTE*****

Our Christmas special lunch is available to all of our customers (including care package customers) but is not available as part of a care package plan and must be paid in full by all those who take advantage of this offer. Please also note that due to the anticipated number of orders we will be unable to cater to any special dietary requirements and this meal will be delivered 'as is' so we recommend you consider any special dietary requirements before ordering.

Please also note our café last trading day will be on Thursday 22nd December and will re-open on January 17th. Our Café trading hours are currently Tuesday to Thursday, 11a.m. to 2.30p.m. All of our customers are also welcome to enjoy a lunch in our café during these times and a selection of frozen meals are available to purchase 'over the counter'.
