THE BRIGHT SPOT: The best preparation for tomorrow is doing your best today.

STUDENT OF THE WEEK: KAYLEE MOTT (GRADE 8)

FAVORITE SCHOOL LUNCH: Pizza
BEST GIFT I EVER RECEIVED: My Dogs
WHAT MAKES A GOOD FRIEND: Kindness, loyalty, and trust
IF I RAN THE SCHOOL: I would allow three recesses for every grade and pizza parties every Friday.

I am proud to recommend Kaylee Mott for Student of the Week. Kaylee has shown really consistent effort in modeling classroom expectations and good student skills. She observes rules and is kind and considerate to others. She takes as much time as is available to do her best and check over her work. She uses her time very wisely. Keep up the good work, Kaylee. – Mr. Ewing

BELLS & WHISTLES to everyone for doing the best we can with the current mask situation. - Mrs. Warmbrodt

Preschool: I am so Happy we are back! Welcome to November. We have so many fun things planned for this month. Tomorrow we will have our Halloween party and wrap up October. Look for Christmas program lyrics to arrive home this week. Please help your child practice. We still have plenty of time. We will begin talking about being thankful and all things turkey! Have a wonderful week back! - Miss Stacie

Kind: I cannot believe we only have 12 more school days until Thanksgiving break! Our focus this week will be on Veteran's Day. I will send home the definitions that help us understand what Veteran's Day is. I will also be sending home information about heart words. They are sight words that are not yet decodable by the phonemic sounds we have learned in class. If you have any questions about them, please reach out and let me know! We will focus on phonemic sounds /b/, /ai/, and /j/, if we have enough time. If you have a Veteran in your family, please send in a physical or emailed photo of them by Friday, so we can discuss them in class. Thank you! Have a great week! - Mrs. Stewart

1st/2nd: This week will be a review week for spelling words for first and second grade. Both classes will have 30 words this week, so they need to practice more than ever. Spelling tests will be Friday. We will be working on a few Veteran's Day projects this week and discussing the importance of veterans. First grade has a math test on Tuesday and a science test on Wednesday. Science study guides will go home today. Second grade will have a math test on Friday. Reminder: All students need to read AR books for their AR tests. Several students haven't started reading to meet 2nd quarter requirements. I hope everyone has a great week. – Mrs. Hird

3rd/4th: Tomorrow we will be back in person and hopefully we can bounce right back into our routine. With that being said, all work that was sent home will be due tomorrow morning. Our class is going to pick up where we left off. Both classes will have math tests tomorrow. They will also take a spelling test over last week's words. Third grade will have a science test over chapter 4 on Wednesday. Students should have been studying their study guides over the past week. Both grades will also have a social studies test on Thursday over week 7 of their Missouri Studies Weekly. Study

guides for this test went home last week. We will grade them tomorrow and will review up until test time. Mid quarter is on Friday and grades will go home next week. It is important that your student complete all of the work assigned and turn it in on time so that I can get it graded and recorded. Please feel free to contact me with any questions. - Mrs. Cooper

5th/6th: 5th and 6th graders will continue working on poetry this week. In Science, 5th grade will be finishing a chapter over "The Water Cycle" and 6th grade will finish a chapter over the "States of Matter". In Reading, students will continue in their Lit. Circle book "The Egypt Game". In Social Studies, 5th grade will continue learning about the "Revolutionary War" and 6th grade will begin working on Native American dioramas and poster projects.

7/8 Comm. Arts: Students will be finishing their poems and will continue reading in their Lit. Circle book "The Witch of Blackbird Pond". 2nd Quarter AR Requirements for 5th-8th grade are due Fri., December 10th. Have a wonderful week! - Mrs. Foster

5/6 Math: This week finds 5th graders practicing their skills with protractors to measure angles, using number lines and rulers to learn about fractions and mixed numbers and looking at quadrilateral characteristics. In sixth grade, students are working on division of and by decimals, mental division by powers of 10, and data displays.

Tests This Week: 6th Math: Wednesday

7/8: This week marks the end of the mid-quarter, so I encourage everybody to finish strong. In grammar, seventh and eighth graders are finishing up a unit on verbs. This will include subject/verb agreement and predicate nouns and adjectives. In science, seventh grade will continue on with their unit on weather and climate, specifically climate zone characteristics and zones. Eighth grade will begin a unit on cells, heredity, and classification.

Tests This Week: 7th Math: Tuesday - Mr. Ewing

October Academic Stars – K – Mason Snyder, 1/2 – Chase Frost, 3/4 – Reid Davis, 5/6 – Beau Brownsberger & 7/8 – Olivia Engeman

MUSIC: Thank you to Mrs. Green for working with the students last week. Keeping practicing! - Miss Stacie

CHARACTER ED WORD: CITIZENSHIP – fulfilling civic and social responsibilities and contributing to the well-being of the communities in which you are a member

PTO: We are still looking for a Vice President. Please let Stacie Flagg know, if you are interested.
