**BRIGHT SPOT: By working together, pooling our resources and building on our strength,  
we can accomplish great things!**  
\*\*\*\*\*

**Preschool:** Whew, this weather feels more like January than November! Please remember to dress warm. We try to go out, if it's above 32 degrees. This week we will work on all things Thanksgiving! We will make turkeys, write about being thankful and learn some turkey songs. Library day is Tuesday. Make sure you bring your books back, so you can check out another one. We really enjoy going to library and seeing the new books. Speaking of library, the Appleton City public library hosts Story Hour on Mondays at 11 am. Go and check it out! I hear they do lots of fun things. Have a great, cold, November week! - **Miss Stacie**  
\*\*\*\*\*

**Kind:** This week our focus will be on Scarecrows. We will be reading Scarecrow by Cynthia Rylant. Our focus will be on the setting (and seasons) and putting ourselves in the story to decide how we would feel. Our vocabulary words will be dawn, mammoth, chat, borrowed, and lapel. The vocabulary words are always words that are found in our weekly read. This week's letter focus will be /o/. We will talk about long o and short o, which can be tricky. Please keep reading at home, it has a huge impact on reading fluency as we get closer and closer to your student becoming an independent reader. In math we are discussing pennies, introducing time to the hour, and identifying ordinal position. I hope everyone has a great week! Only 10 more days until Thanksgiving! - **Mrs. Stewart**  
\*\*\*\*\*

**1st/2nd:** This week in 1st and 2nd grade we will be reading the same story, Turk and Runt, by Lisa Wheeler. This is a great Thanksgiving book that the kids enjoy! In 1st grade we will be learning about story elements such as characters, setting, problem, and solution. We will continue working on all vowel sounds now that we have covered them all (short and long) and continue working on verbs and identifying them in a sentence. In math we will be going over even numbers. We will continue working on adding and subtracting within 10 and identifying and taking apart numbers up to 50. In 2nd grade we will be talking about making inferences that go along with our story, Turk and Runt. We will learn all about turkeys and be able to retell facts about them. In grammar we will continue working on adjectives but will also be adding adverbs this week. In math we will work on adding, creating and reading a venn diagram. We will continue to work on adding and subtracting and counting coins (dimes, nickels, pennies). This week will be chilly! Please make sure your children have a coat, hat, and gloves! - **Mrs. Thomas**

**3rd/4th:** Brr . we had some cold temperatures over the weekend compared to what we have had lately. Our class will be busy trying to finish things before the upcoming holiday break. Both grades should have brought home their study guides for chapter 6 in science. Third grade will have their test on Tuesday and fourth grade will have their test on Thursday. Each grade will have a math test on Wednesday. In math, we have started working on multiplication. You should be on the lookout for math facts sheets coming home. We will start working on our goal of an ice cream party for those who master all of their timed multiplication facts. Please practice with your student nightly. Spelling this week is review. Third grade will have 35 words and fourth grade will have 50 words. As always on review weeks, these words are all ones that the students have already had during previous weeks. - **Mrs. Cooper**  
\*\*\*\*\*

**5th/6th:** In Writing, 5<sup>th</sup> and 6<sup>th</sup> graders will continue their unit on reading and understanding poetry. In Spelling, students have a Unit 12 review word search due on Wed. In Science, 5<sup>th</sup> grade will have a test on Friday over Ch. 7 and 6<sup>th</sup> grade will also test on Friday over Ch. 2. In Reading, students will read Ch. 9-10 of "Bridge to Terabithia" and will present roles on Friday. In Social Studies, 5<sup>th</sup> grade will start Ch. 2 in their textbooks and will test over states and capitals #1-20 on Friday and 6<sup>th</sup> grade will finish reading Ch. 3. To get AR requirements done on time, students should pass their first book as soon as possible this week. **7/8 Comm. Arts:** Students will continue reading "To Kill a Mockingbird" and will present roles on Friday. Poster projects over the 1930's era are due on Friday as well. Have a great week! - Mrs. Foster

**5/6 Math:** In fifth grade, students are working on average and other types of multi-step story problems and two-digit multiplication problems. Sixth graders are working on expanded notation of decimal numbers, mentally multiplying by powers of 10, and characteristics of circles, including circle parts and pi. **Tests This Week: 5th Math: Wednesday 7/8:** In grammar, students will continue their unit on modifiers. This week, we will discuss adverbs. In math, seventh grade is working on distributive property, fraction/decimal/percent conversions, and the nature of quotients. In pre-algebra, students will continue looking at part/whole relationships, order of operations with fractions, and proportions. In algebra, students are working on more polynomial operations, graphs of equations, and irrational number operations. **Tests This Week: 7/8 Science: Thursday, Pre-Algebra: Thursday, Algebra: Friday - Mr. Ewing**

**CHARACTER ED WORD FOR NOVEMBER:      THANKFUL – expressing gratitude**

7th/8th graders each had to come up with a game last Thursday to share with K-2. When the younger students came outside, they broke into groups and showed the younger students how to play. They rotated, so each student got to play all of the games. EVERYONE had a great time! We plan to do more peer interactions over the next few months. This teaches 7/8 responsibility and caring as they create something and then share it. – Miss Stacie

**MUSIC: Keep singing those Christmas songs! Our program is Weds., December 7<sup>th</sup>.**

**1<sup>st</sup> Quarter POP TAB TOTALS: K – 7 pounds, 1/2 – 1 pound, 3/4 – 3 pounds, 7/8 – 10 pounds  
21 pounds so far – a very good start!**

**Perfect Attendance for 1<sup>st</sup> quarter: K – Kylee, AnnDee, Addison, Banx, Krista, 1/2 – Bria, Mason, Chesni  
3/4 – Aurora, Brayden, James, Suzanne, 5/6 – Dayton, Jordan, Braelynn**

**October Academic Stars: K – Quincy Noble, 1/2 – Macy Merryfield, 3/4 – Nolan Varns, 5/6 – Ari Hilgenberg,  
7/8 – Grace Engeman**

**Hudson t-shirts, celebrating our 70<sup>th</sup> year, are available to order. They are \$20.00.  
Contact the office if you'd like one.**

**IXL:** Students may increase their knowledge by practicing their skills at [www.ixl.com](http://www.ixl.com). Students who are behind in a subject can practice at a lower grade level. Students who are advanced in a subject or who are interested in a certain subject may practice at a higher grade level. If you and your student do not know their login and password, please call the office at 660-476-5467.

**SEVEN HABITS OF HIGHLY RESPONSIBLE PEOPLE: 1) They set goals. 2) They plan their time. 3) They study every day. 4) They take notes in class. 5) They have the tools they need. 6) They keep their commitments. 7) They get ready ahead of time.**
