Registration	District	
	Date	
	Registrar	
	Entry	
	No.	

Other Information	This may or may not be the record of my ancestor Mary Thomson, wife of Daniel Campbell. The birth year is within a likely range and the place of birth is not unreasonable, i.e. Fife. The most compelling, but circumstantial evidence is the maiden surname of her mother – Duncan. This could explain this being given as Mary's own maiden surname on her son, Daniel's, birth certificate.
