

TONY TODARO

CANDIDATE FOR COUNTY TREASURER

BECAUSE IT'S YOUR MONEY

Tony Todaro has announced he is a candidate for Marion County Treasurer. Todaro was appointed Collector unanimously by the Marion County Quorum Court in January to complete the remaining year of the former collector's term. In just two short months the Collector's office has cut wasteful spending and updating office practices to make it more efficient. Tony has over 30 years of business management experience in the private sector, including 15 years at Micro Plastics as Director of International Marketing and Operations overseeing two facilities while selling and distributing products made here in Marion County around the world. Tony is also the founder and owner of F & S Vending Inc. Tony has his bachelor's degree from Rochester Institute of Technology, in Seneca Falls NY and has done his graduate work at the University of Hartford,

Todaro is an 18-year resident of Marion County, living in Flippin and is an active member of The Believer's Cowboy Church in Yellville

Not simply a Republican around election time, Tony is a lifelong conservative Republican and an active member the Marion County Republican Committee including being its chairman for 7 years, as well as member of the Executive Committee of the Arkansas Republican Party.

Doyle Webb (candidate for Lt. Governor, and former 3 term chairman of the Arkansas Republican Party) commented,

"Service Above Self describes Tony Todaro. A man who will put Marion County first! What more can we ask of a public servant? "

Choosing someone with years and years of experience in the Courthouse is not necessarily a good thing, especially if you want someone who will come in to make changes. At every point in his career, Tony has taken on challenges and made a difference. Now he wants to take that expertise and use it to serve his fellow Marion County Residents. He will always ask: Are we following Best Practices? How can we improve what we do for the good of the taxpayers of our county because, ***It's Your Money!***
