

Society of Saint Vincent de Paul

Sacred Heart Conference

On behalf of the SSVP we would like to thank all those who have helped with our efforts this past year. Without the commitment of dedicated volunteers and the generosity of our parishioners, we would not be able to help those in our community that are less fortunate and struggling to make ends meet.

We have recently undertaken a planning exercise for the coming year. We will continue to focus on providing food to those in need, both through our Monday food bag program as well as our Sunday soup and sandwiches in the park program. However, we will eliminate accepting and providing donated household items and gently used clothing to the people we serve. There are several other groups in Williams Lake who accept donations and we recommend sharing your donations with one of the following:

- Salvation Army Thrift Store – 272 Borland Street
- Carolyn's Closet – 105B North 2nd Avenue (next to the TD Bank)
- The Free Store – 71 Oliver Street
- Women's Contact Centre – 51A South 4th Avenue – Second Floor
- Abraham's Lodge – 505 Wotzke Drive

Thank you for your prayers and support. We continue to accept donations of gift cards, cash and food items. Together we can help those in need on our community.
