

March 2023 Newsletter

Dear School Age Families:

Hello again! Hope you are all doing well.

Reminders:

Please contact us if your child will be away from Before or After School care. You can call or text our cell phone directly please. 250-682-3732.

Thanks for sending your child with weather appropriate clothing! We have been enjoying this (hopefully) last bit of winter weather at the park. The proper boots, snow pants, gloves and hats keep the children comfortable to enjoy their time playing at the park. It is unfortunate when one or a couple children come unprepared and we aren't able to enjoy the park as a group.

Remember to send enough food for after school. We noticed that many children are asking for snacks as they've eaten everything in their lunchboxes already.

Spring Break

There is a two week spring break March 20-31st this year. We will be providing full day care for the full two weeks. Cost is \$20/day if it is your regularly scheduled day, or \$40/day if it is not. We will be planning some activities

and field trips in addition to the daily cost. Please ensure the children are prepared for all types of weather. I will send an email to those enrolled regarding the extra costs. All the positions are currently full. Please contact me if you have any questions.

Fundraiser

We will be running our spring Purdy's fundraiser this March. You are invited to go onto the link and order through there. The deadline to order is the 20th of March!
