

THE HILLSIDE

"The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is insight." Proverbs 9:10

First, I want to again say thank you on behalf of Teri, myself, and the Burt family for the expressions of sympathy that you all showed us through the difficult time of losing Teri's dad. This being the month of Father's Day I wanted to share with you a little about a father. Solomon wrote to his son that the fear of the Lord was the beginning of wisdom, and knowledge of the Holy One was insight. Teri's dad was my principle in school from middle school all the way through high school. I feared Coach Burt not because he was mean or anything, but because he had the authority. My fear was not an emotional fear; it was a respect, and I still had that same high school fear of Coach Burt after I was grown up. Just to prove that God has a sense of humor, God made it possible for me to be the son-in-law of the man I feared. I have said that to say this, Coach Burt lived Proverbs 9:10; he feared God in a respectful way understanding God's authority. In my life I have been blessed enough to be in the presence of movie stars, musical performers, wrestlers, and sport's athletes. Some would say I had been in the presence of greatness. But I know what the presence of greatness is because when I was in the presence of Coach Burt, I was in the presence of greatness. I

believe that because Coach Burt had a respect of God's greatness, God shared that greatness with Coach Burt which is why I had a fearful respect of Coach Burt. Coach Burt, although he was retired, was still the "winningest" high school football coach. I believe that the way we approach God, God returns that blessing upon us as to how people view us. George Dale Burt - this will be the only time I write out his full name because he was Coach Burt to me in school. He was Coach Burt to me in my adult life including my marriage; he will be Coach Burt to me when we meet again in heaven. Happy Father's Day, Dads and Dad Figures.

Bro. Dwayne

WHAT IS THAT SONG?

Have you ever listened to a secular song and thought it might have a Christian meaning hidden somewhere in the lyrics? I have done that with a few songs. Not too long ago I was headed home and had my satellite radio tuned to the Christian station The Message. The song 'Home' by Daughtry was playing. As I listened to the lyrics I could hear what might be a message to help build our faith. As I researched this song, I found out that another song by Daughtry actually did make an appearance on the Christian top hits list so I decided to share it with you all.

It's Not Over
by Daughtry

I was blown away, what could I say?
It all seemed to make sense
You've taken away everything
And I can't deal without, I try to see the good
in life
But good things in life are hard to find

We'll blow it away, blow it away
Can we make this something good?

CHORUS

Well, I'll try to do it right this time around
Let's start over
I'll try to do it right this time around
It's not over
'Cause a part of me is dead and in the ground

This love is killing me, but you're the only
one
It's not over

Taken all I could take, and I can not wait
We're wasting too much time
Being strong, holding on
Can't let it bring us down
My life with you means everything
So I won't give up that easily

I'll blow it away, blow it away
Can we make this something good?
'Cause it's all misunderstood

REPEAT CHORUS

We can't let this get away
Let it out, let it out
Don't get caught up in yourself
Let it out

Let's start over
I'll try to do it right this time around
It's not over
'Cause a part of me is dead and in the ground
This love is killing me, but you're the only
one
It's not over

Let's start over
It's not over, yeah, yeah
This love is killing me, but you're the only
one
It's not over

However, I consider my life worth nothing to
me; my only aim
is to finish the race and complete the task
the Lord Jesus
has given me - the task of testifying to the
good news of God's grace.
Acts 20:24

Just remember, you can find God in the most
unexpected places.
