NORWAYNE HPAC- MOOVIN' ON THE COUNTY LINE TRAIL FAMILY FAIR

Join us to promote your business or organization during the Moovin' on the County Line Trail Family Fair on April 18, 2020! The Family Fair will take place in conjunction with the Moovin' on the County Line Trail 5k, 10k, and Bubble Fun Run. This is the fifth annual race and family fair. In the past, the event has attracted 600-1,000 community members. There is no cost for the booth. If you will be selling items at your booth, we suggest making a donation to our group. All funds raised assist with health and wellness programs in our community.

Where: Creston County Line Trailhead: 120 Brooklyn St. Creston, OH 44217 (adjacent to the Creston Police Department)

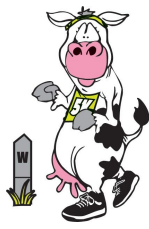

When: 8:30 am to 11:00 am

Set up will begin at 6:30 AM and all booths must be in place no later than 8:30 AM. We recommend you arrive with enough time to have your booth set up. You may pull your car up to unload your items in the grassy area where the family fair will take place until 8:00 AM. After 8:00, no vehicles will be permitted in this area as runners and walkers will begin to line up for the race in starting corrals.

Please Note: Booth Spaces will be **10ft x 10ft** and a map outlining your space in the family fair will be sent to your email address by April 11, 2020. You will be provided with a 10 by 10 space. Tables, tents, signage, etc are your responsibility. The family fair will take place rain or shine and there is limited space with cover. Watch the weather forecast and consider bringing a tent if the weather forecast is not promising. In the past, we have been blessed with beautiful weather...cross your fingers for sunshine!

Registration is now live and registrations will be accepted until April 1, 2020. Registration will be done online, or by filling out and returning the attached paper form. Once your registration is received and processed, you will receive an email confirmation.

Please Contact Health Fair Committee Chair, Carmen Schlatter at 330-462-1403 with any questions.
