

9 STEPS TO HEBREW BLOOD COVENANT

	Steps to Take	How it was Done	What it Meant to Each Partner
1	Take off Coat or Robe	After removing coat, give to partner.	Giving all of yourself to partner.
2	Take off Belt	Belt held weapons showing strength. Give to partner.	To defend, protect and fight for each other.
3	Cut the Covenant	An animal is cut down the middle. Standing between the halves, back to back, each partner walks through pieces making figure 8, coming back to middle facing each other and say oath.	Giving up rights to self to walk with partner until death. Give oath facing partner.
4	Raise the Right Arm and Mix with Blood	Raise right arms and cut palms and bring together.	Blood is mixing with partner's blood to become one.
5	Exchange Names	As blood is intermingling, names were exchanged.	Take each other's last name to become part of their own name.
6	Make a Scar	Rub blood together and make a scar.	Scar was seal of permanent testimony to the blood covenant.
7	Give Covenant Terms	Standing before witnesses give the terms of the covenant.	Share all that you own with each other.
8	Eat a Memorial Meal	Take a loaf of bread and feed to each other and share cup of wine.	Wine represents blood and bread represents body. Sharing bread and wine together as being One in a new nature.
9	Plant a Memorial	Plant a tree.	This will be a testimony to the blood covenant between each other.
