Chasten Gold Nonprofit is the

benefiting organization for the 2nd Annual "Brunch in the Park"
Festival for the second time this year in Sacramento, CA after cancellations in 2020 and 2021. In 2022, Brunch in the Park hosted 45 local vendors and over 700 attendees and volunteers. We anticipate 1,500+ attendees this year and will continue to feature token-less Bottomless Mimosas, Bloody Mary's by Tito's Vodka, and Beer and Wine from local breweries and wineries. Brunch favorites will be made available for purchase by local food trucks and restaurants.
