Every 1st Thursday of the month we will hold virtual **Image Critiques** on Zoom with member participation and images. The Staten Island Camera Club will run member image **Monthly Competitions**, where members have their images critiqued by a professional judge. Members can submit 2 images on-line at PCP (Contest Pro) in the Color category and 2 images in Monochrome (Black and White **with or without** one accent color). The basic intent is for members to receive qualified and constructive criticism. Many compete just for the benefit of obtaining this learning experience and furthering their artistic maturation. Besides monthly open competitions in Color and Monochrome, we hold **Assigned Subject Competitions** with our monthly competitions. You can enter 2 images per Assigned Subject in Digital. You can enter your images as a color or mono, both will compete in the same contest. In addition we will have monthly **Zoom Discussions** that relate to the topics most members want to discuss. Some of which will be centered around upcoming assigned subjects and related discussions about current photographic topics and developments in editing and or Image making.
