

Smoking & Vaping

"Smoking is the greatest preventable cause of death and disease. It not only can damage the health of the smoker but also the health of those around him or her" (Department of Health).

Under no circumstances do we allow smoking or vaping at all on the nursery premises at any time, this includes all the outside spaces.

We expect staff, parents, carers and visitors to follow the no smoking or vaping policy.

Nursery staff are not permitted to smoke or vape whilst in charge of the children. Any staff who do smoke must leave the premises and are only admitted to do so at break or lunch times.

**This policy was revised & updated on the 15th August 2022
Eversley Nursery School**
