Summary: Establishing territories on behalf of the Commonwealth of Dracul in order to provide a physical entity for citizens to better participate in Dracul activities. To expand the community in more local areas so that future citizens will have a place to call home.

Proposal: By this bill Dracul would establish territories where citizens shall reside outside of the Commonwealth proper (i.e., the State of Texas). The applications for territory shall be submitted to the Department of State for approval or denial.

To establish a territory the applicant must meet certain criteria, which are as follows:

The applicant, or in the case of a group, the most senior applicant must have been a citizen of Dracul for at least six (6) months. Not all those within the application are required to be a citizen.

A minimum of two (2) persons are required to establish a territory. A physical location is required, not less than one (1) acre of land.

Territories shall self-govern in the same fashion as one of the Dracul States and shall adhere to the Federal laws of the Commonwealth. The governing executive body being a Governor or Military Governor. Territories will have the option to elect a representative to the Parliament of Dracul.

A flag must be created and submitted for approval by the Parliament of Dracul.

A Civil Defense Force shall be allowed for physical security of the territory, however Officers and Noncommissioned Officers shall be commissioned/enlisted in the Dracul Army or Air Corps.
