Re: CSHRP LOUD23 Conference

Dear Ms. Reid,

On behalf of the Caribbean Society for Human Resource Professionals (CSHRP), I am writing to express our sincerest gratitude for your invaluable partnership during the 3rd staging of our LOUD Conference held in Antigua & Barbuda from May 10-12, 2023. Your opening presentation, titled "A Rocking Chair Moves...But Goes Nowhere," was an absolute highlight of the event and left a lasting impact on all attendees.

We wanted to extend our heartfelt appreciation for the effort and proactivity you demonstrated in pre-recording your presentation, considering the challenging climatic conditions you faced just a couple of weeks before the conference. Your admirable dedication ensured that despite the unforeseen circumstances, attendees—both in-person and online—were still able to connect deeply with your insights and gain valuable wisdom from your thought-provoking talk. The way you seamlessly adapted to the situation truly set the tone for the entire conference, and we are grateful for your unwavering commitment.

Wishing you all the best in your future endeavors. May you achieve continued success and inspire others wherever your path may lead.

Warmest Regards,

Kimberly Largie
