Visitors from other clubs passing through Lismore & Casino are always welcome at our club outings and meetings. Meetings of the club are the **SECOND WEDNESDAY** of each month at the **LISMORE WORKERS CLUB** , Keen Street, Lismore at 7.30pm.

OPINIONS EXPRESSED IN THIS MAGAZINE ARE NOT NECESSARILY THOSE OF THE CLUB.

GUIDELINES FOR CONDITIONAL REGISTRATION (CLUB PLATES)

All NRVCC members should familiarize themselves with the NSW RMS rules and club rules surrounding how to use your vehicles on Conditional registration, together with the requirement to carry certain documents in the vehicle whenever it is being used.

If you are on the log book system, the RMS issued log book must be completed by the member before you use the vehicle for anything other than NRVCC club outings. Vehicles not on log book, the member should phone/email the secretary when a movement is needed for anything other than club outings.

Any member with vehicles(s) conditionally registered through the NRVCC and who do not attend a **minimum of three club events per calendar year** (not including registration day & meetings) may be asked by the committee to show cause as to why the club should sanction the renewal of their registration in the following year.

The Club cannot afford the risk of the system being abused and the subsequent loss of the benefits of these worthwhile concessions for other Club members.

Mid-week Outing to Coraki

The NRVVCC Inc. mid-week run for August, organised by Robyn & Jim Hayward, was to Coraki - "The meeting of the Rivers". 15 club members in 4 club & 4

modern cars took advantage of some mild & mostly sunny weather to gather in Memorial Park, Coraki for morning tea with some members supporting the locals, who were badly

affected by the flood, by purchasing coffee & snacks from the Spar Supermarket & Bakery.

After a chat the group moved on to the Coraki Museum housed in the former Woodburn Shire Council Chambers.

Entrance fee was paid by the Social Club and members enjoyed learning about Coraki's rich colonial history dating back to 1838. The Museum boasts 4 rooms and an outdoor shed & provides a picture of past village life and the history of how the Richmond River was used for business and family relaxation.

Report prepared by Chris & Narelle Loadsman

Crams Farm – 14th August, 2022

With droughts, fire, covid & floods still foremost in our mind, a beautiful Sunday dawned for our three clubs' annual get-together at Crams Farm, Uki. – Gold Coast

Antique Auto Club, Tweed Valley Vehicle Restorers Club & Northern Rivers Vintage & Veteran Car Club.

Gold Coast & Tweed Clubs were well-represented but not so our club with only 18 members attending. On arrival morning tea was had, then time was spent viewing the amazing display of vehicles and a catch up with old friends.

Lunch was by way of a sausage sizzle for NRVVCC members, provided by the Social Club.

After lunch, 2 competitions were held – 1 for men (a trivia questionnaire) & 1 for women (testing their memory of items viewed) – which showed up the competitive nature of some. Thank you to the Tweed club for organising the competitions. (Next year it is our club's turn to organise the competitions)

From all those present a big thank you to Barbara Day of the Tweed Club for organising this outing to Crams Farm.

More photos of vehicles at Crams Farm outing on a beautiful sunny Sunday.
