**DECEMBER  
FEATURED ARTIST:  
Marilyn Rose**

Artist's Reception  
Saturday, Dec. 11, 6-8 PM

As a professional artist for nearly 30 years, Marilyn Rose has studied with dozens of renowned artists through classes, workshops, books and videos, and she feels it is important to keep learning and honing her skills.

Regardless of subject matter, she is most interested in capturing the mood created by the flow of light and the emergence from deep shadow. Marilyn loves the challenge of recreating that mood with beautiful pieces of paint and to watch the magic happen one brushstroke at a time. Over 500 of her paintings are in private collections. She is a signature member of the American Impressionist Society and member of Portrait Society of America, California Art Club and Oil Painters of America.
