Wise Ending

(Joey is alone and walking slowly. Suddenly, Peter runs up to him.)

Peter: *(Teasingly)* Hey Joey! I heard the baseball team lost… because of you.

Joey: *(Shakes his head and starts to walk away.)*

Peter: *(Jumping in front of Joey)* You know, the team is much better off without you! Last season they won every single game!

Joey: *(Glares at Peter and sighs, then turns to walk the opposite way.)*

Peter: *(Smirks and jumps next to him again)* I even overheard Coach talking with the assistant coach. He said, "That Joey kid is no good. He doesn't know what he's doing and is causing our team to lose."

* * * * * **(Old Ending)**

Joey: *(Very annoyed)* You know what, Peter? Shut up!

(The boys glare at each other for a moment.)

Peter: Make me!

Joey: *(Starts walking away again, clenching his fist.)*

Peter: *(Laughing)* See! How can you be man enough to be on the team when you aren't even man enough to defend yourself!

(Peter continues to laugh even more loudly, with his eyes close and holding his chin high in the air.)

Joey: *(Turns around and gives Peter a quick punch in the face.)*

(Peter looks like he is in shock as both boys freeze.)
