Last year 55 boys attended the summer camp at Fry up Dale. This was the largest camp since the 1990s. In September the 80th Anniversary Dinner was attended by 120 parents, friends, leaders, scouts and old scouts. An extraordinary amount of trips have taken place during the last year including canoeing, caving, climbing, cycling and trips to Broadstone Warren.

Nick thanked Pete and the other leaders and outlined the position regarding the move to the Trevor Bailey building where work is due to begin shortly to accommodate the troop. He also gave details of the 500 club and encouraged parents to join. This has raised £3000 this year and funded the purchase of new bikes for the troop.
