# The AfterMath

Beyond the Classroom  
Laying the Groundwork for a Solid Foundation

**The AfterMath** (formerly Aftermath Aftercare) provides before and after school care to students attending Grahamwood Elementary Monday-Friday. The AfterMath currently offer 3 great programs to fit your needs. The AfterMath provides students with a safe, structured, learning environment. All programs promote individual & group activities. Students engage in various educational programs, energizing physical activities & Fun-time Friday Activities as incentives.

*Come & be a part of The AfterMath Experience...*

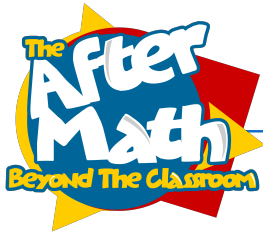

**AfterMath Academy** provides homework assistance after school at Grahamwood Elementary School in EVERY subject area by highly qualified teachers and staff. Students are required to complete homework daily. The teachers and staff with AfterMath check homework for accuracy and completion daily. The AfterMath developmental foundation goes “beyond the classroom”. This allows students and families time to enjoy that much needed family time at home without the worry of homework. Our current families absolutely love our concept and support us in our efforts. Students in their downtime are required to read, study, and complete educational activities via the computer. Students are able to use programs such as IREADY, Starfall, Reading A-Z etc. Students who stay on task during the week are rewarded every Friday during “Funtime Friday”. AfterMath Academy students are prepared and ready for class the next day.

**AfterMath Impact** is a more affordable extended care program that guarantees student success by giving students a structured classroom environment with professional staff. Aftermath Impact will give students time to work on homework, study, and collaborate with classmates in a quiet area specifically designated for homework, reading, and studying. Students will participate weekly in character building activities, P.E., educational computer activities such as IREADY, Smarty Ants, Starfall & Reading A-Z. Students will be rewarded weekly for exhibiting model behavior with “Funtime Friday” activities.

**AfterMath Impact Summer Academy** would like to continue to provide quality care to ensure our students remain excited about learning throughout the summer. AfterMath Impact Summer Academy will provide the same EXCEPTIONAL experience during the summer as we do during the school year. Our enrichment camp will run throughout the summer daily from 7am-6pm at an off-site location extremely close to Grahamwood Elementary School.

## **AfterMath Extracurricular Activities**

Furthermore, The AfterMath is excited to offer weekly extracurricular activities. The following class are available once a week for an additional fee: **AfterMath Yoga , AfterMath Spanish, AfterMath Dance .**

## FINANCIAL AGREEMENT

Upon registration of my child, \_\_\_\_\_, at The AfterMath, I agree to pay weekly bill in full according to the following payment plan:

We agree to the following policies:

1. All payments are due by Monday.
2. All payments made after 11:59 p.m. on Monday will incur a **\$5** late fee and everyday thereafter until account is paid in full.
3. A **\$25** charge will be automatically incurred on your account for all NSF/returned check or declined Credit card transactions.
4. A **\$1** per minute late fee will be imposed for those parents late in picking their child up from aftercare and summer program. Aftercare and summer program ends at 6:00 p.m.
5. AfterMath will not prorate weekly fees for snow/inclement weather/half days or absences. If your child does not attend AfterMath your weekly payment is still due, unless you fill out a vacation/absence request prior to your absence for vacations, hospitalizations or death in immediate family.
6. Registration fees are non-refundable.

Please sign below indicating that you fully understand and will adhere to the terms of this Agreement.
