SHED MOVING CONTRACT TERMS

* Any changes or change orders must be cleared by Easland Enterprises first

- 1. By checking the boxes below you understand and agree to the terms. Please check each box and then sign and date below.
- 2. Take a photo of this document with your phone, and **TXT the image to Dave at 860-205-5626** at least two business days BEFORE your work is performed, thank you.

Read each term carefully and check each box below:

INTERIOR: Easland MUST have access to INSIDE of shed. I have <u>emptied</u> all interior contents of my shed. <u>Additional fees up</u> to \$295 per hour apply if shed still needs to be emptied when our crew arrives.	What type of terrain is the shed located on? Please circle: gravel asphalt grass/yard field pavers
	concrete pad concrete piers/sonotubes sand dirt mud
EXTERIOR: I will hold Easland Enterprises LLC harmless for replacing any shingles or loose materials that may fall off or blow off my shed during transport. * <i>Cupola and ramp must be removed</i> . Shed has been cleared of debris around all exterior sides - i.e woodpiles, ladders, branches, junk, etc. have been removed.	 I verify that I have permission to move/remove the shed, and that the shed is on my property: yes no no if no, who's property is the shed on? SHED DIMENSIONS (verify with measuring tape)
I understand that due to the scope of work, equipment weight and unpredictable ground conditions, ruts may occur on my lawn or property. I will hold Easland Enterprises LLC harmless for repairing or re-seeding any ruts after work is performed.	Height Width Length I would describe my shed type as: Please circle: Carefree Kloter Farms Amish Built I shed sheetrocked on inside? yes no Image: Carefree
I have relayed information to Easland Enterprises LLC about any sloping, bumps, or hills in surrounding terrain directly around, or in the path to accessing my shed area with a trailer.	I verify there is not paving right up to underneath of shed and there is at least 30" clearance under shed for loading mechanism to properly access under shed. What type of terrain is leading up to the shed?
■ I have reviewed the Shed Moving Pre-Check diagram and have relayed any pertinent information to Easland Enterprises LLC that may impede the moving or transfer of my shed. This includes low hanging branches — NOTE: Shed will be 3ft taller during transport. <u>A \$75 fee applies if branches need to be pruned by</u> Easland staff.	I understand that payment is due upon completion of work performed. Payment accepted as Cash, Check, Credit Cards (<i>transaction fee applies for credit</i>) and that Easland Enterprises LLC is a legitimate business and 6.35% CT state sales tax will be applied on all transactions including cash transactions.
If relocating a shed: I verify that the area where the shed will be placed is level ground, and that the area / path leading up to the shed is level with no step-ups, slopes or walls (<i>if not, please relay all</i>	Write price agreed upon HERE: \$ Person who will be responsible for payment is: NAME:
