

*"High-Speed Economic Empowerment For Member Partners Of The Global Faith Based Community."*

### **COVENANT**

1. We, collectively, agree and abide to a **Covenant** to be our "brother's keeper."
2. We, collectively, agree and abide to a **Covenant** to affirm, nurture, and sustain each relationship (and to be mutually accountable) with the individuals or entities that we personally refer for enrollment in **The Covenant Partners Network (FREE MEMBERSHIP)**.
3. We, collectively, agree and abide to a **Covenant** to reach our personal and/or corporate financial goals by consistently and endlessly referring quality individuals for enrollment in **The Covenant Partners Network**. We understand that, when we do this, **The Global Procurement & Purchasing Power Center** will ensure that the "percentage of commissions payments" received from the sales of products and services will be determined by the individual referral performance of each Member Partner, not individual financial capability. Further, the "percentage of commissions payments" "received from the sales of products and services will be determined in direct proportion to consistent individual referrals, **not** from entitlements.
4. We, collectively, agree and abide to a **Covenant** to enjoy the value, sufficiency, and success of our membership with the confidence that our commissions payments formula is proven, perpetual, and secure; and to consistently perform and excel in our individual roles with an urgency to fulfill and to focus on **all** of our financial needs.
5. Specifically, I will submit my personal enrollment and attempt to refer three **(3)** others; who join, within **3 days** after my enrollment.

Also, if the **Member Partner** chooses to upgrade to a paid membership, and is experiencing financial difficulties, he/she will let **The Global Procurement & Purchasing Power Center** know...and it will work out a payment plan.

Our **Covenant** is a private and personal understanding. We reserve the right to modify this **Covenant** for the future, if required. It is between and among:

1. **Covenant Partners Network, LLC** dba **The Global Procurement & Purchasing Power Center**

**And**

2. **The Covenant Partners Network (Member Partners).**

**“Two are better than one, for if they fall, the one will lift the other up; but woe to the one that is alone.”**

**Ecclesiastes 4:9 KJV**

Our Member Partnerships are inclusive, regardless of where you live. By the grace of **God**, we have succeeded in developing a custom-designed plan that will allow commerce among and between us that, inevitably, performs the basis to financially **Empower Us All**.

**God** is at the center, the very core, of our interactions and transactions. Nothing separates us as we provide for and learn of each other’s needs. Continuously, we discover and design methods to fund those needs, and just as **Jesus Christ** was the **Word** becoming flesh to fulfill the **Scripture** here on earth, we serve **God** by serving our fellow **Member Partners**.

**“Come to me, all you are weary and burdened, and I will give you rest.”**

**Matthew 11:28 KJV**

With the help of **God**, we hereby covenant to the above for the economic and entrepreneurial empowerment of **His** kingdom and children.

**AGREED** and **ACCEPTED** this \_\_\_\_\_ day of \_\_\_\_\_.
