The Board may, but shall not be required to, obtain a public liability policy applicable to the Common Area covering the Association, its officers, directors, member, and agents. Unless otherwise provided by the Board of Directors, the cost of all such insurance coverage shall be paid from the common expense. Each insurance policy may contain a deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

- (a) if the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction, as hereinafter provided. Repairs or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty.

No mortgagee shall have the right to participate in the determination whether the damage or destruction shall be repaired or reconstructed.

Section 4. Repair and Reconstruction. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the cost of repair, such excess shall be deposited to the benefit of the Association.

Section 5. Lot Owner's Responsibility. By virtue of taking title to a Lot each Owner of a Lot covenants and agrees with all other Owners and with the Association to carry all risk casualty insurance in the event the Association does not carry blanket all-risk casualty insurance on improvements on Lots. If such improvements are to be repaired or restored, the above provisions in Article IV hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are not funds remaining after any such restoration or replacement is complete, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Each such assessment, together with interest, costs, late fees and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment came due, and his or her grantee shall be jointly and

severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, any first mortgagee who obtains title to a Lot pursuant to the remedies provided in the mortgage or foreclosure of the mortgage or deed in lieu of foreclosure will not be liable for such Lot's unpaid assessments which accrued prior to the acquisition of title to such Lot by the mortgagee. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration of the annual assessment for delinquents; the assessments shall be paid annually in advance, unless otherwise provided by the Board of Directors.

The Board shall cause a copy of the budget and the assessments to be levied thereby to be available to all members at a central location on the Properties at least twenty (20) days prior to the meeting. The budget and assessment established thereby shall become effective unless objected to in writing executed by at least a majority of the total Association eligible vote and delivered to the Board of Directors no later than ten (10) days prior to the effective date of the proposed budget. Notwithstanding the foregoing, in the event that the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein or by the procedure herein described repeated as need be, the budget and assessments in effect for the current year shall continue for the succeeding year.
- (c) despite anything else contained herein, the amount of the budgeted assessment in any particular year may be increased by the Board of Directors of the Association in a succeeding year without need of making the budget available for disapproval by the members, and without membership consideration, so long as the proposed assessment does not exceed an increase greater than ten percent (10%) over that assessment charged for the preceding year.

Section 5. Special Assessments. In addition to the assessments authorized elsewhere herein, the Association may levy a special Assessment in any year. The Board, by majority vote, may impose any special assessment without a membership vote.

Section 6. Effect of Nonpayment of Assessments: Additional Maintenance Fee. Any assessments which are not paid when due shall be delinquent. Any assessment delinquent for a period of more than thirty (30) days shall incur a late fee in an amount as the Board may determine from time to time, but not to exceed Ten (\$10.00) Dollars or ten (10%) percent of the initial assessment amount owed, whichever is greater; provided, if the Board does not determine a late fee the late fee shall be the maximum amount hereby authorized.
