

Dear Sir or Madam:

**“When I approach a child, he inspires in me two sentiments;
Tenderness for what he is, and respect for what he may become.”**

-Louis Pasteur

Unfortunately, many of the challenges our children and young adults must face are exacerbated by the economic status of their parents and other caregivers. Many children are denied access to tools and resources they desperately need to reach their maximum potentials simply because they're born into poor and working class families - in this, the richest country in the world, this egregious act of inhumanity should be unthinkable.

Entering into relationship with a life coach can help children and young people achieve focus around such issues as: personal and life-skill development, and problem-solving, to name a few; and thereby help them flourish in their youth and become stronger, more balanced, successful and peaceful adults.

In response, Vox Omnis is working, through our Sponsor a Child; Save a Child (SAC SAC) partnership program, to partner with individuals and corporations to raise sponsorship funds for children and young people who will benefit greatly from having a life coach, but whose parents and/or other caregivers can not afford the costs involved.

The Vox Omnis mission is to help young people safely and comfortably begin to explore and chart their course toward self discovery. Toward that end, we will partner with young clients to help them determine who they are (now); their strengths and limitations; their dreams; and what actions they might take to achieve their goals. Accomplishing our overall mission and the success of the SAC SAC partnership program is largely dependent on the benevolence of people and organizations like you and your company. Sponsors who lend their names and financial support to this partnership will at the very least help to enhance the course of a young person's life; or, in the extreme situation - save a child's life.

Through the SAC SAC partnership program your sponsorship will help provide a life coach for a young person. Specifically, sponsorships will be applied to the hourly rates of the coach, and to any collateral material coaches may need to improve the coaching experience for the children. Vox Omnis has cut hourly fees for coaching children and young people from \$300.00 to \$150.00 per sponsorship hour.

Now, we are asking that you join us in our effort to help as many children and young adults as possible by making your donation to provide life coaching services for children and young people in need.

Information regarding Vox Omnis, sponsorship details and the SAC SAC commitment form are enclosed. Please participate at whatever level best fits your needs. And remember the children and young people who need our help are counting on you - invest in their potential and help create a better future for all of us.

Thank you in advance and please feel free to contact us at (877) 238-4869 or via email twhorley@voxomnis.com if you have any questions or need more information. I will follow up with you in a few days to talk about the possibility of your participation in this program.

Sincerely,

Vickey M. Wilcher
