AUGUST 2016

PRESIDENT'S REPORT

Management Committee Report

AGM, BCMC Inc Held in the Community Centre 9/8/16

This last twelve months has been one of change for the Bundaberg Country Music Club and it is my pleasure to present this annual report on the state of our Club.

The big game changer this year has been our uptake of Face Book and the use of computers in our running of events and our news letter which is now online. These systems have allowed us to communicate with the public and our members instantly and spread the word about

our Club far and wide. The first results showed up quite emphatically at our Festival this year with improved attendances and bookings made easier by electronic transfers. We just had to embrace this technology to lighten the physical load on people and speed things up. We are still learning to use this new tool and many thanks go to the people who helped set the system up and their work in helping us to use it. Don't be afraid to post photos and Events on this site as it is an information site that needs to be upgraded and used to promote the Club.

Also using the Face

Book to promote other Clubs information and other Country Music Events help with pushing the Country Music industry in general out there to the general public and helps with our promotion as a club.

The other big thing that has happened over the last couple of years is the boost in our Junior ranks and the number of very talented performers coming through our Club. A big thanks to the Parents of these youngsters for trusting their development to our Club as it is a great pleasure to see the progress as they move along the road to success.

I would like to thank Jo Carr who has brought some wonderful talent

to practice with our Club Band.

Another spinoff from the Face Book I feel is the number of travellers that hear of us and attend our play-outs and practices as they pass through the area. This can only be good for us as word of mouth gets around. We have met some great people and no doubt will meet many more.

This year's highlights included the Christmas party which was a good event well attended and enjoyed by all, the 33rd Bundy Country Music Roundup which I thought was one of the best festivals that I had ever been to.

Congratulations to all who made it so. The amount of work that goes into these events is staggering but the results, the looks on winners faces, the opportunities that can come from this for future performers is worth the effort.

Congratulations to Sandy and Rod and all the support staff for a great effort, AND WE MADE MONEY..

This year I am promoting some camp out Country Music weekends just to relax and socialise away from the crowd, the first of which is to be at the Mingo Crossing camping ground on the week

end of 21,22 23 Sept, see the booking form at the practice nights.

I would like everyone to get behind Matt Munro and Pheobe Jay who have made it to the Gympie Muster and will feature on main stage, good luck and enjoy the experience. We are all with you.

Give a big cheer for Ariana Brogden who came second in a toughly fought out C Factor competition this year. Well done to the other competitors as well.

Lets all keep up the great work

Practice: 6pm Thursdays

Cost: \$4.00 – Tea, coffee and biscuits inc.

Open Days held the last Sunday of the month

Entry: \$5.00 children under 14 free

The public are invited to come along and be entertained by the **Cool Country** club band, singers and guest artists.

Doors open at 12 noon for a 1pm start.

Light refreshments and sausages in bread available for purchase.

Cool Country is a non-profit organization whose main objective is to raise funds to contribute to local charities and organisations, through music. We rely on the support of the community and club members to continue this work, whilst providing an avenue for people with a love of music and singing that may otherwise not have an opportunity to sing and play. We are continually searching for new members to boost our ranks, contributing to the overall mutual enrichment for all associated with the club. *So... if you play an instrument or enjoy singing, come and join us.*
