

Fall of man and salvation in Jesus Christ alone

We believe in the fall of man, who was created pure and upright, but fell by voluntary transgression. We **believe in salvation through faith in Christ**, who, according to the Scriptures, died for our sins, was buried and was raised from the dead on the third day, and that through His Blood we have Redemption.

The original autographs were inspired

The original autographs of the Old and New Testaments, prior to being changed by the Mandel effect, were directly inspired by God and were the revelation of God to man. We believe the original autographs were the infallible, authoritative rule of faith and conduct given to man to be obeyed and followed. However, we now have been fully persuaded that all versions of the original autographs are being systematically and supernaturally altered with the intent to change the meaning of what was originally given.

Scriptures that we held to be true when talking about the original autographs are

- 2 Timothy 3:15-17 [[KJV/NIV](#)]
- 1 Thessalonians 2:13 [[KJV/NIV](#)]
- 2 Peter 1:21 [[KJV/NIV](#)]
