Welcome to the Price Family Ranch Horse Sale,

We are pleased to present another set of nice horses from the Price Family Ranch. We have not had a sale in a few years, so this could possibly be the nicest grouping of horses that we have ever offered. This is a sale that has been years in the making!!! We are presenting a superb selection of well-bred quarter horses.

Three years ago, we unfortunately lost Cozmo, our breeding sire, in a ranch accident. It was a huge loss for us, especially because of his unbelievable disposition. He sired some of the nicest colts in this program. The loss of Cozmo occurred right in the middle of breeding season, so we went with a young stud that we home-raised, Bud. This horse was sired by Cozmo and has a great disposition. Although Bud is very eye-appealing, he got too big for our breeding program. Later, we chose to geld Bud and look for a stud that would better fit the qualities we desired in our breeding program. With a little searching, Cougar became the new stud of our ranch. We are very pleased with the qualities that this son of High Brow Cat has brought to our program. This is a quick, cowy horse that has agility and smarts. Cougar compliments our mares quite well. He is a great addition to this ranch. We use him in all our ranch work. We have the first group of colts out of him, and we are impressed.

With the moisture and profitable cattle, the future looks bright for the business of ranching. However, with fuel on the rise, it would be a great year to buy a couple of excellent horses. This is the sale that will provide them. Our horses, along with the consignment horses, provide over 40 nice saddle horses. We also have some upcoming yearlings and two's that show some major promise. This sale is featuring some great consignment horses from friends that work really well in our program. There is going to be a little bit of everything in this sale, and anyone looking will be able to find what they need. Deluxe roping horses, started and hauled barrel horses, and all horses are first and foremost ranch horses. We pride ourselves on using horses in every step of our operation, and our horses will prove it. We are very excited about this sale, and hope to have many more in the future.

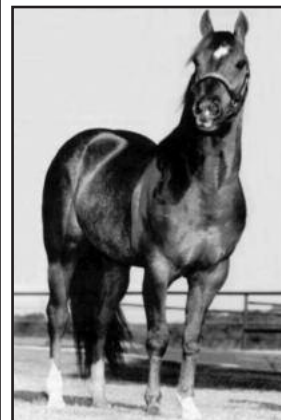

If you have any questions please call or stop out at the place and have a look. We will be at the Cadillac Ranch early afternoon on Saturday May 21st, so if you would like to stop out and visit, someone will be around.

We had a high school girl cut off her in 2010; she placed second in Buffalo and fourth in Dupree at the regional high school rodeos. As a three-year-old, she won the fall festival incentive program and placed high in the Dakota Futurity and Cowboy Classic Futurity. She is the real deal!

"June" is a big-boned, big-hipped 6-year-old mare that is one of Josi's favorite horses to ride. She's got a long stride that makes her one of the smoothest riding horses on the place. June has been ranched on and has drug numerous calves to the fire. This mare was started on the barrels a year ago and is showing real potential. Bailee Thompson bought a full sister to this mare from us, and she placed in the top 10 in the nation at the 2010 college finals rodeo. June has a ton of run and a great mind. She is definitely one that you won't want to pass up; she will take you far.

This could possibly be the highlight of the sale. "Punk" is a horse that we chose to no-sale in Deadwood a few years ago because Dad was so fond of her. Later, she was given to Joey as a Christmas present, and she fell in love with her. This mare is unbelievably smart, and wants to please. She is solid in the barrels, roping (heading and heeling) and breakaway roping. She is quick to the pin and will get in the ground. She has clocked a 1.6 in the breakaway roping. This is a horse that you could haul down the road and compete in several events. She is one that you don't want to pass up.

This is a nice, black filly out of a mare we have had for a long time. The dam to this filly is a mare that we have used on the ranch and in the arena. Joey was going to compete on her in high school rodeo until the mare got hurt. We were unable to keep riding her, but we have used her as a broodmare for many years and she has had some very impressive colts. This is also a half sister to the other horses in the sale, such as Gus, Tim and Baldy. The filly goes back to Dash For Cash and High Brow Cat.
