Dear DCTR Members and Friends

Hope everyone is staying healthy and spending time with your equine buddy.

Update to June events:

The current Douglas County opening plan is to allow for gatherings of up to 45 people starting June 8<sup>th</sup>. Until then the maximum number of people gathering is 15. Due to the limited number people allowed to gather the June 5<sup>th</sup> meeting is postponed to June 12<sup>th</sup>.

June 6<sup>th</sup> Perry Trail Ride is still scheduled. Safe distancing to be practiced.

- Saturday morning
- Perry lake.
- Ride-out 10 am.
- Bring your own food and drink. Lunch on the trail.

Call or text Rachael Eve at 913 709-1671 or Liz Rombach at 785-393-3107 if you have questions.

There will be DCTR campers at Perry Lake for the weekend if you can't make the Saturday morning ride and would like to ride out with someone during the weekend.

June 12<sup>th</sup> DCTR Meeting: outside riding and open arena (de-spooking is cancelled).

Come early

Meeting starts at 7 pm

No food will be served but we look forward to seeing everyone.

Short mounted club meeting and an opportunity to ride at DCTR.

June 28<sup>th</sup> DCTR Spring Fun Show

DCTR Spring Fun Show has been moved to the end of June to make sure that the state has transitioned phase out of the opening plans.

Show starts at 9 am

Everyone who attended the Von Holton trail ride had a great time. We had a total of 10 riders camping through the weekend. The trails were beautiful. The scheduled rain never appeared and the trails were great as well as the . While the trails were muddy in a few areas they were very well maintained. Both challenging bits as well as relaxing wooded rides with lots of wildlife. Deer, turtles, hawks, snakes (black only) and Indigo Buntings were seen.

All events will be outside events. We ask that people only enter the club house to use the facilities and not congregate inside. Please respect social distancing, remaining at least 6 feet apart from others not from your household when possible. We recommend and encourage the use of masks when unable to maintain safe distances to prevent potential viral spread.
