Class	Description	Class	Description
4H 887	<b>Color Collage:</b> (p.10, activity 3) - A collage of color created by the member to depict colors liked by the member. A collage is made up of a collection of objects (such as paper, fabric, wrapping paper, wallpaper, carpet or other materials) artistically arranged and adhered to a mat board or foam core board.	4H 896	<b>Cloth item for the home created using a sewing machine:</b> Examples: hemmed tablecloth or table runner, wall hanging, pillow, pillowcase, and flat-panel hemmed curtains. Unacceptable: purses, tote bags, back-packs, duffle bag, etc.
4H 888	<b>Texture Collage:</b> (p. 10, see activities 1&2) - A collection of textured items or rubbings of textured items artistically arranged and adhered to mat board or foam core board.	4H 897	<b>Invitation and thank you letter/note:</b> Design an invitation and thank you letter/note for a sleepover, birthday party of other occasion of your choice. Cards/letters may be created with computer software of handwritten. Decorations on the cards/letters may be member's original artwork, computer-generated art, purchased or found decorative items. The message written in the card or letter is more important than the decorations. Write your name and county on the back of each card/letter and place each card/letter in a plastic sheet protector.
4H 889	<b>Transparent finish applied to small wood object:</b> (p. 16) - Apply a clear finish such as tung oil, penetrating seal or polyurethane which does not include stain to a small wood object such as a bowl, tray, cutting board, board game, or box. A transparent finish allows the wood grain to show through. Judging emphasis will be on how well the object is prepared for the finish and how well the finish has been applied, not the construction of the wood object. The wood object may be made by the member, made by someone else, purchased or found. Items that are stained or finished with paint do not fit in this class.	4H 898	<b>Accessory for the home created by 4H member:</b> This exhibit is to be made up of two parts: 1) The Accessory and 2) A sheet or folder of documentation.
