September 12 - National Grandparents' Day was officially recognized in Canada in 1995, after it had been submitted in the house of commons by Mr. Sarkis Assadourian. The government designated the second Sunday in September to be Grandparents' Day. This day recognizes the importance of grandparents to the structure of every family and in the nurturing, upbringing and education of children.

Faith In Action – Campaign 31 – Walking With Jesus

This weekend we will hear the Pastoral Letter from Bishop Joseph introducing FIA Campaign 31. A copy of the letter is attached to this bulletin. Next weekend, our local Parish project and FIA goal will be announced.

We pray for your peace as we remember the terrorism attacks of 9/11 in the USA. May the suffering from these attacks awaken in us an awareness of the pain and fear that so many around the world live with each day. May we know how to pray for those who struggle against oppression and injustice. As we hear of terrorist activity around the world, quiet our fears. Heal the wounded of these attacks, and help their families and friends rest in your security.
