Room Categories

If you would like to live in our dorm as your top choices:

We have a limited number of rooms. Please remember the space is limited and will assign the appropriate room as availability allows.

Quiet Hall Option:

There is a hall which has a T.V and there is a dinning room which students can dine and have some rest on them.

The hall and dining areas are expected to be quiet throughout the day, not just during night hours, which are from 10pm - 10am (9pm-10am during exam weeks).

Students that do not respect this environment continuously while living in the hall may be asked to move out of the dorm for the rest of the term.

There will be a penalty of 1 month for making an inconvenient area for others.
