# JRP (JERRY REID)

# SIGNATURE PRO

Described as having "swiss-army-knife versatility with an awesome whammy", the JRP-Q Signature Pro was designed with legendary Nashville Cat Jerry Reid who got tired of dragging several guitars to every gig just so he could get a variety of sounds. The Signature Pro fixed him up and will do the same for you! A 5-way switch and coil tapped hums gives you 11-possible settings. You'll become a one-guitar man, too! Best woods, hardware, and electronics - for an unbelievably low price. Check it out!
