## DISTRICT COMMISSIONER REPORT

### DC REPORT MAY 2018

Thank you to everyone for making May rally another great success. The weather held off for us and at one stage the sun came out. We had 17 riders booked into ride. However, due to either sickness or unwell horses a couple had to drop out of instruction. It was great to see so many smiling faces around the grounds.

I would like to take this opportunity to thank very dearly Rhiannon Bevilacqua for stepping in at the very last minute to instruct at the rally with flat work, due to Steven being unable to attend. All riders seem to love her knowledge and got a lot out of her lesson. Silver group working on lateral work. Awesome job Rhiannon, Purple group not wanting to get off their ponies in the last class of the day. ☺

We started off this rally with our new trial making announcements on the grass area, followed by gear check with instructors, prior to starting the lesson.

3 Groups today, Purple Group, Green Group and Silver Group, with all classes starting on time and running smoothly.

Jenny Smith took showjumping for the day and everyone looked like they had a great rally lesson. Jenny was a great vet on hand for the day with Morgan's Millie showing signs of colic and Jenny administering an old fashion remedy of VB. Millie didn't mind this process, it was a good thing for our members to witness and listen to Jenny about why this process is done. ☺ It was absolutely delightful hearing Purple group encouraging fellow riders with their round of jumping. So wonderful to hear giggling, laughter.

Aimee Stuart was great with the Versatility Course, Everyone looked like they were enjoying themselves. The ball decided to roll down the hill a couple of times, just to add to the dynamics of the day.

We had 2 Riders have falls today, all ok though thankfully.

Lunchtime we thanked all our Mum's of our Members with a little gift. Happy Mother's Day to all of our beautiful Mum's that help us and support us in our everyday lives & sport.

It was great to see so many parents and members out helping with the pack up at the end of the rally, it made it a really quick process.

Happy & Safe Riding Everyone!!

Regards,

Karen Woolacott / District Commissioner ☺

### YARDS – Manure & Chains

#### FINAL WARNING TO ALL MBRS THAT USE THE YARDS

After last rally there were several yards that had not been cleaned and still had manure in them (not spread or picked up) & several still had the chains left hanging down.

This was left to another mbr to pick up after you.

Due to this being ongoing AT EVERY RALLY we will now have a yard monitor.

If you do not pick up or spread your manure or hang your chain back up - you can expect an email & banning from yard use for a period of time.
