## Last Week's Run Report

Going Green with D-Cell Run #718

From the outside looking in it looked like a Leprechaun convention, as the Hash 6 going green run came together.

D-Cell set a fine trail with the 6 stamped coffee tin, but had some trail removed by the helpful goblins and witches from Halloween the night before, luckily there was enough chalk markings left that we still found the trail and the drink stop. In saying that it was a very thirsty group who ran the park to finally find the Green stop, green table cloth, 3 different green drinks and the most amazing green mint leaves.

Run Scored 9.5 from Humper for the run and 9.5 from Thesoreass for the walk.

The circle had a visitor, come carer, who was Hellvino's sister "Belinda", as Hellvino was out of action with a foot problem, also LouisA aka VerrrrrGin "who is yet to be named officially" There were many green wearer's, also an over achieving recycling group lead by Ms Dirty Deeds all in Garbo bags and recycled items. Well done tram Garbo.

Charges:

Slush Box for not wearing green but to his credit he was wearing his hash gear, "shock", and some wisie hasher remarked he smelt slightly bonfire-ish..... he was seen in Bunbury having a few dances.

Cookie for miss spelling Thesoreass' name... I think it was lucky after such a fun weekend we remembered anyone name.

Steamer ,ex web master who hardly ever managed to keep the web up to date, charged Spackle the current web master who is always up to date for wrong address for run. Hmmm Spackle took the down down , Cookie apologised for not mentioning it was a change in address when new address was sent out.

BJ was iced for taking the RA's car keys home and leaving without her.... it seemed he was just leaving but did return with said keys and a sit on the ice rock.

Big News and making history, Ah-Sup 600 Hundred Run, well-done Ah Sup, now Get A Life.
