School Soup Day and National Tree Day Planting

The Brinkworth Primary and Early Childhood Centre community continued to get involved with the rest of Brinkworth in July, book-ending the month with two events.

A blustery, chilly day at the beginning of the month saw a pleasing number of people get along to the school to enjoy lunch of hot soups, an assortment of freshly made damper and sweet treats, with a camp fire to warm their outsides to match their insides.

SPORTS REPORT

By Lisa Williams

31/07/2022

Welcome to the BSR sports column.

It's a cold and drizzly day as I write this month's column. It definitely feels like we are still in the depths of winter and yet we are only 1 bye and 2 rounds from the finals.

23rd of July was the Think! Road Safety Round at Redhill versus Southern Saints. Luke Hayes awarded the Think! Road Safety medal for best on ground. The day was followed at the Redhill clubrooms by the BSR Social Club Xmas in July.

Mark in your diaries another special Social Club event. On the 13th of August the BSR MOCK WEDDING 2.0 will be on at the Spalding Town Hall. 7pm start for meals with the ceremony following.

Dress Code: Op shop formal (gender is optional) \$50 per person for a 3 course meal and all the fun. Details on the BSR Socials Facebook page.

A special mention must go to Patrick Weckert. Playing in the reserves Eagles SANFL team Round 16. Patty had a big day out. He kicked 8 goals and took a spectacular mark. I can't fail to mention he has also been picked for the SACA U19 cricket squad. What remarkable achievements for this talented sportsman.

Mentioning cricket, which seems strange considering how cold it is...calling all budding junior cricketers. Two trials/ trainings are coming up for the Mid North Zone teams selections. U12 boys, U14 boys, U16 boys & U16 girls.

These trials are to select the teams to participate in the SACA Country Cup Carnivals that are held in December (U16) and early January (U12 & U14). WDCC coaches will be attending also looking for talented cricketers who may wish to play in Adelaide next season. Trials will be held at 'The Big Shed' in Jamestown on Sunday 14/8/22 and Sunday 21/8/22 from 11am- 2pm. If you love your cricket get along and try out!

That's all for this month. GO THE TIGERS!!

Chairpersons Report 2022 -2023 August to August

Although a different sort of year we were lucky to still have our **Garage Sale Day** which went off probably the best so far. We are gearing up now for the next one.

Christmas show with Father Christmas and toys for kids, raffle went off well also. Australia Day celebrations: Was another reasonable turn out.

The Country Fair was another great event being a bit different with, for the first time, having two events on the same day. Having a bus running between these two events worked well and as at the end of the day we still had a good turnout of people so it never effected the Fair much at all. All vendors were happy with their day and have requested their return next Fair 2023. Many thanks to Mills Freightlines, Wakefield Regional Council and Plains Producer for their sponsorship in making this a good day. And Special thanks to all the volunteers who did the extra mile making it successful.

The Overnight Stay is still bringing in travellers, many repeatedly coming back which is great to see. We have installed more blinds in the overnight stay shelter which campers are finding great for blocking those breezy days. With the help of Wakefield Regional Council we now have new signage which certainly adds to the area. Also given to us from Council is a nice brightly painted book exchange that was made by the Owen Men's Shed. Great job they have done in design.

Progress Hosted a **Biggest Afternoon Tea**. This was an entertaining and relaxing day. Thank you to all who donated and enjoyed afternoon tea. Money raised was over \$300.

I would sincerely like to thank my team for all their hard work. Special thanks to Fred, Barbara, Cory Weatherall, Anne, and Janet for keeping the overnight stay area running smoothly; without you the facility wouldn't run.

Other people I would like to thank for all their help with Progress through the year are Percy Peace for the help with odd jobs, James Conlon and our campers that often lend a hand and many others in the community that lend a hand.

It all takes a strong team work ethic to get things happening and Progress members all pull together.

Up and coming events will be the Garage Sale in September, Brinkworth Birthday, Christmas Party, Australia Day and the Country Fair back in the New Year.

Big thank you to all the people that have donated through the year. It is much appreciated.

Stay Safe.

Norma Hardy

Chairperson of the Brinkworth Progress Ass Inc.

I am not going to go into this subject too much but owing to recent local social media controversy I will add that Progress being accused of running the town: well all I can say is that Progress only run Progress.

What they do around the town is volunteering to add and beautify the area. They raise funds from what they have built at the overnight stay which after all expenses paid, any left over gets put towards future projects. This is an open book for all to see.

I have been a member of Progress for around 15 years and for the last 7 years acted in the role of Chairperson as to date nobody has ever come forward to undertake this role with ample opportunity at every AGM. This also goes for the Secretary and Treasure's positions. If you are not prepared to step up then that is your choice but to badger people that do these jobs voluntary is in its self very damaging, and also puts people off from joining groups.

We are an Incorporated body so we must run by our Constitution and follow our Strategic Plan. Secret voting is put in position to protect friendships specially in small towns. If maybe you don't agree with a friend, doing this secretly saves that friendship as everyone has a right to their own opinions. At our meetings everyone is heard and their ideas are talked through. It must be a group decision about the projects we undertake.

Because we are incorporated the Council and local MP have no standing with how we are run but having said that we like to feel our relationship is good and they are very helpful to our many projects.

NEXT MEETING : Monday September 5th
All Welcome

Yacka Golf Club.

The course has been in outstanding condition in July for the busiest period of the season.

The Yacka Men's and Ladies' Open was held over eighteen holes, with this change bringing a great attendance. Zach Fielding was the winner of the day with gross score of 66, runner up Barry Goss 70. Hayley Sommerville won the Ladies A Grade and Les Yeats the B Grade, Eric Clarke the C Grade.

Farmers' Day Ambrose was held in the school holidays with a huge 70 players hitting off. Tri Day with Blyth and Clare was hosted, with Blyth seemingly leading the pack now!

Qualifying for the Club Championship has finished, with semi-finalists about to be organised to play off before Championship Day in August.

If you are following the scores in the local paper, you may have noticed that Zach Fielding's Handicap score is higher than his nett score. That is because he is currently playing with a handicap of minus one, so his handicap is added, not subtracted! How lucky are we at Yacka to have such an amazing golfer playing at the club!

"It's considered good sportsmanship not to pick up lost golf balls while they are still rolling."

It was an orchidaceous meeting last month with a lavishly illustrated talk by Steve Howard on SA's native orchids.

Steve has been studying and growing orchids for 30 years and is a qualified judge of them as well. We learned that many are a bit like daffodils in that they have a tuber that grows a rosette of leaves in the cool weather then the top growth dies down completely after flowering.

SA has 150 species of native orchids, some miniscule and others around 30 cm tall when in flower. All are totally protected so its illegal to pick or dig them up but they make lovely photographic subjects and can be bought from licenses growers. Unfortunately that doesn't always mean they are safe from council or park managers' slashers though!

Some plants that Steve brought to sell were snapped up very quickly :).

NEXT MEETING

Wednesday August 24th

Tea Meeting 6.30 pm

Followed by a presentation on APS Camp 2021 at Witchelina by members who attended the camp.

No Strings....

We meet Monday mornings at the Uniting Church Hall from 10 to 11 am except public holidays.

Everyone is welcome to join us for a friendly chat. We are observing social distancing.

If you haven't seen many people lately, then this is for you! Come when you want, if you want; no apologies or explanations needed; no strings attached ☺

Due to Covid restrictions, please bring your own mug, thermos, snack etc

(Tree Planting continued from page 1)

Bob Green found the warmest spot to enjoy his dessert

Then, Australian Plants Society member Fred Groom, organised for the students to have a tree planting ceremony beside the Peppertree Trail, near the old railway crossing, in an area

where children have planted trees in previous years.

Other APS members Barbara Groom, Andrew Clucas and Anne Green also went along to support the school staff and students.

A lemon scented gum was the chosen tree and the children were eager to dig a nice big hole and install mulch and a supporting stake.

The students rounded off their Sustainable Friday afternoon with a look at the new seat by the APS Eremophila Garden, made from recycled plastic bags and donated by the Mills family.

ROWAN RAMSEY MP

Press Release

Federal Member for Grey

18 July 2022 Ramsey Calls for Stricter Inspection for Bali Arrivals

The numbers of Australian tourists visiting Bali is surging and the Federal Government must move harder and faster to ensure the outbreak of Foot and Mouth disease is not transported to Australia Member Grey Rowan Ramsey said.

"The dangers and potential damage which could be caused by an outbreak of Foot and Mouth Disease in Australia simply cannot be understated," he said. "Foot and Mouth affects sheep, cattle, goats, pigs, buffalo, deer and camels. We haven't had a case in Australia for over 100 years, but one would have to doubt our ability to eliminate it in the event of a breakout, given the millions of feral goats, pigs, deer, buffalo and camels that live in our country.

"Our livestock industry is worth tens of billions of dollars annually and they would be smashed by an outbreak. This is not only about the industry but the shocking healthy outcomes for these animals."

Mr Ramsey said Australian tourists visiting Bali look set to again reach their pre-Covid levels.

"Tourists to Bali look set to reach in excess of a million a year and we simply cannot afford to take any risks with this threat," Mr Ramsey said.

"If the Government is not going to take the step of closing traffic to and from Indonesia, then a much higher level of rules and compliance need to be implemented immediately particularly for those returning from Bali.

"Foot baths should be mandatory and tourists should be prepared to forfeit any shoes they wear in Indonesia.

"Customs should be opening every piece of luggage and inspecting for carrier goods. Not everyone honestly declares at customs and while most do, anyone can make a mistake.

"We have zero Foot and Mouth in Australia today and have the ability to keep it that way if we are sufficiently determined. We have been warned and any failure to keep this dreadful disease out of Australia will sit directly on the government's doorstep.

"I contacted the Agricultural Minister Murray Watt last week to put my concerns to him and I urge others to do the same."
