

# In the Privacy of Your Own Heart...

As you meditate on the importance of bringing your accountability, answer these questions in the privacy of your own heart:

*(And remember, dig deep)*

- How do you ascribe value to the Word of God?
- Moving forward, what will you do to ascribe greater value to the Word of God?
- As you focus on ascribing greater value to the Word of God, what changes do you expect to see in your spiritual walk? In your church experience? In your worship experience?
