

“CTE Month is a public awareness campaign that takes place each **February** to celebrate the value of CTE and the achievements and accomplishments of CTE programs across the country.”

<https://www.acteonline.org/why-cte/cte-awareness/cte-month/>

“Every February, the CTE community celebrates *CTE Month*® to raise awareness of the role that CTE has in readying learners for college and career success.”

<https://careertech.org/cte-month-campaign>

### How Can I Raise Awareness for CTE Month?

“While national CTE groups such as Advance CTE, ACTE, and [Career and Technical Student Organizations](#) will publicize CTE Month, this is also a chance to raise awareness of your own work and engage all of your stakeholders in the CTE conversation, from students to policymakers.”

### ANTC CTE Month Activities

- **Host a school visit** and invite members of your local community to learn about your school’s strong CTE programs firsthand
- **Work with business and industry leaders** to ensure they understand the role CTE plays in readying their future workforce
- Purchase pens, pencils, lanyards and other [CTE Month Merchandise](#) to use at events or at your school

### ANTC Host ACHS Students!

What an AMAZING day! Thank you ACHS for allowing your students the opportunity to visit ANTC. We had a very productive day! The students appeared to be very interested in the programs at ANTC and enjoyed the interaction with the ANTC students. Thank you to Dr. Reasoner for this GREAT idea and thank you to Dr. Ringstaff and Dr. Ramey for executing a marvelous plan.
