

Wood Cooperative Ltd.

The Future of Woodlot Management - Make Your Dream Become a Reality!

SNB Wood Co-operative Ltd. was formed in 1974 and has been providing forest management services to private woodlot owners in the southern N.B. area for close to 50 years!

Our professional foresters and forest technicians we currently have on staff, have over 150 years of combined experience working in the forest industry.

Deer Population & Habitat Management Planning

Want more deer on your woodlot? Want bigger bucks on your woodlot? Our Certified Deer Stewards and Habitat Specialists can get you started on your way to that dream, with your very own specialized deer population and habitat management program.
