MEMORANDUM OF UNDERSTANDING

CONCERNING

EVALUATION AND DAY CARE TASK FORCES

We, the undersigned, on behalf of the Anacortes School District ("District") and the Anacortes Education Association ("Association") (jointly referred to herein as "the parties"), hereby agree to the following provisions concerning the establishment of two Task Forces which the parties will jointly participate in during the 1998-99 school year. The parties agree that this Memorandum of Understanding shall expire on May 1, 1999.

(1) Prior to September 25, 1998, the District and the Association will meet to form two separate Task Forces. One Task Force will be formed to study the current certificated employee evaluation procedure; one Task Force will be formed to study the feasibility of establishing an on-premises Day Care center for children of District employees.

(2) Each Task Force will consist of six members. The Superintendent and the Association President will appoint three persons to each Task Force. Each Task Force will hold its first meeting during October, 1998. The specific agenda for the first meeting will be to clarify the task to be performed, establish the process the Task Force will utilize to conduct its business, determine a timetable for completion of its responsibilities, and any other appropriate business as determined by the Task Force.

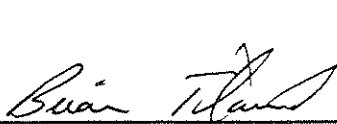

(3) The District and the Association agree that each Task Force will issue a written report, with recommendations, if any, to the parties by April 30, 1999. By written notification to the other by May 15, 1999, either party may choose to reopen the collective bargaining agreement to negotiate the recommendations of either of the Task Forces.

ARTICLE I. ADMINISTRATION

Section 1. Exclusive Recognition

The Board recognizes the Association as the sole and exclusive bargaining representative for all certificated employees of the District, with the exception of Superintendent, Manager of Curriculum, Manager of Operations, Manager of Special Programs, Principals, Vice Principals, and other certificated employees who may be excluded by law, for the purpose of exercising all rights accorded certificated employee organizations by the Educational Employment Act.

When used hereinafter, the term "employee" shall refer to each certificated employee represented by the Association.

Unless the context in which they are used clearly requires otherwise, words used in this Contract denoting gender shall include both the masculine and feminine, and words denoting number shall include both singular and plural.

Section 2. Status of the Contract

Where there is a conflict between this Contract and any resolution, rule, policy, or regulation of the Board or its agents, the terms of this Contract shall prevail. Certain rights and functions are afforded to the Association as the legal representative for all employees as covered under the terms of this Contract and RCW 41.59. Said rights and functions are not common to any other certificated employee organization within the District.

The term 'Represented Substitutes' shall mean those who have been employed twenty-one (21) consecutive days or more, or those who have been employed thirty-one (31) days or more during any twelve (12) month period ending in a school year in which the substitute is available for work, or the immediately preceding school year.

The following provisions of this Agreement shall not be applicable to Represented Substitutes:

Article III, Section 4, Evaluation & Probationary Procedures
Article III, Section 8, Contract, Work Day and Payment
Article III, Section 9, Staff Reduction
Article III, Section 11, Insurance Benefits
Article III, Section 12, Leaves

This Contract shall become effective when ratified by the Board and Association, and executed by authorized representatives thereof.

Section 3. Contract Compliance

All individual employee contracts shall be subject to and consistent with the terms and conditions of this Contract.

Section 4. Contract Administration

Association representative(s) may meet with the Superintendent or his designee at least once a month during the school year, at the request of either party, to review and discuss the administration of this Contract.

Section 5. Conformity to Law

If any provision of this Contract or any application of this Contract to any employee or groups of employees covered hereby shall be found contrary to law, such provision or application shall have effect only to the extent permitted by law, and all other provisions or applications of the Contract shall continue in full force and effect.

Section 6. Distribution of Contract

Within a reasonable time (not to exceed sixty [60] days) following the ratification and signing of this Contract by the parties, the District shall print copies of this Contract for each certificated employee and the Association will accept the Contract on behalf of the employees and will be responsible for distribution of a copy to each employee in the bargaining unit. Ten (10) additional copies shall be provided to the Association. All certificated individuals making employment application to the District shall be provided a copy of the Contract for their examination only if they so request. The cost of the printing shall be shared equally between the District and the Association.

Section 7. Appendices

The following appendices are an integral part of this Agreement and by this reference are incorporated herein:

- A. Teacher Salary schedule
- B. Evaluation Report forms
- C. School Calendar
- D. ESA Evaluations

ARTICLE II. BUSINESS

Section 1. Association Security

Each employee who is not a member of the Association shall pay to the Association, as representation costs, an amount equal to dues and fees required for Association membership. The District agrees to deduct on a monthly basis such amount from the compensation of each non-member employee. However, the obligation imposed by this section shall not apply to individuals who were employees of the District on June 4, 1976 and who were not members of the Association on the date this agreement was ratified by the parties 11/22/76. Nothing in this section shall impair an employee's rights of non-association protected by RCW 41.59.100 and the procedure established thereunder. The Association shall indemnify and hold the District harmless from all claims asserted and lawsuits commenced by or on behalf of any employee due to action taken by the District in strict compliance with this section; provided, the District agrees to defend the provisions of this section and consult with the Association or its designee with respect to any claim or lawsuit commenced concerning this section.

Section 2. Payroll Deductions

The Association shall have the exclusive right of automatic payroll deduction of membership dues and fees for employees. Upon proper written payroll authorization from an employee, the District shall deduct from the wages of that employee monthly Association dues and shall forward that sum to the Association or its designee. The Association shall provide to the District payroll office no later than September 15 of each year a list of employees authorized for the automatic payroll deduction of Association

membership dues. Upon revocation of membership by an Association member, the Association shall submit notice of such revocation to the District payroll office to terminate the automatic dues deduction. The Association agrees to hold the Board harmless from all financial claims against it for or on account of any payroll deduction of membership dues and fees.

Section 3. Tax Shelter Annuities or Other Deductions

The District shall, upon receipt of an annual authorization from an employee, deduct from the employee's salary and make appropriate remittance for insurance plans, tax sheltered annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Association and the Board. The District will make, upon written request of at least 10% of the employees' of the District, automatic payroll deductions as they authorize, for the same payee, subject to the limitations of the District equipment or personnel (RCW 28A.67.095).

In accordance with the terms of SB 4500, the District shall arrange for the purchase of tax deferred annuity contracts, upon request of at least five (5) employees, from a company of the employees' choice authorized to do business in Washington State or through a Washington licensed insurance agent.

The Association agrees to hold the Board harmless from all financial claims against it for or on account of any payroll deduction when the Board is acting within the scope or direction of the payroll authorization.

Section 4. Management Rights

The Board represents the voters of the Anacortes School District and thus reserves all powers, rights, authority, duties, and responsibilities which come to it by state/board regulations and the laws and Constitution of the State of Washington and/or the United States. The Association recognizes that the Board is legally responsible for the operation of the school district and that the Board has the necessary authority to discharge all of its responsibilities subject to the laws mentioned above and the provisions of this Agreement. The Board shall have the right to determine matters concerning the management or administration of the work force, subject to the terms of this Agreement and RCW 41.59 and/or Chapter 288, Laws of 1975, First Extraordinary Session.

It is agreed that all rights except such as are clearly and expressly relinquished herein by the District are reserved to and shall continue to vest in the District. This shall include the following enumeration, being by way of illustration and not by way of limitation, and without application of the principle of Ejusdem generis:

1. Manage the District and direct the working forces, including the determination of employee qualifications, the right to hire and to suspend, discipline or discharge employees for just cause, and to otherwise maintain an orderly, effective and efficient operation.
2. Transfer employees from one school, department, and/or classification to another.
3. Lay off or relieve employees from duty because of shortages of funds or decline in enrollment.
4. Promote and/or transfer employees to positions and classifications not covered by this agreement.

5. Determine the work to be done and the standards to be met by the employees covered by this agreement.
6. Determine whether and to what extent work shall be performed by employees.
7. Develop and control the budget.
8. Control District property.

Section 5. Association Rights

1. The Association and its representatives shall have the right to use the District buildings and equipment after obtaining permission from the administration. The Association shall be responsible for claims arising from damage caused by negligence resulting from the use of facilities and equipment.
2. The Association shall have the right to post notices of activities and matters of concern on bulletin boards as provided by the building administrator. The Association may provide its own bulletin boards on space designated therefor by the building administrator.
3. The Association shall have the right to use the teacher mailboxes for communication purposes so long as such use does not disrupt the district mail service or promote and initiate any stop work actions against the District.
4. The Association shall have the same access to District records as any citizen under RCW 42.17.
5. The Association shall be furnished, upon written request of the grievant, such information as is necessary for the processing of any grievance at the grievant's cost.
6. The Association and its representatives shall have the right to meet and confer with all certificated District employees after contacting the appropriate District administrator. Prior to said meeting, the Association will assure proper identification to the administrator of any person present at the meeting who is not represented by the Association. Such contact shall be limited to outside the contracted school day.
7. Representatives duly authorized by the Association to participate in negotiations, conferences, or meetings with representatives of the District shall suffer no loss of pay when the District schedules the same during the working day. The negotiations, conferences or meetings will be scheduled at mutually agreed to times and places.
8. The administration shall make available to the Association, upon written request, a list of new employees covered by this contract. This request shall not take precedence over other work being performed by central office staff.

ARTICLE III. PERSONNEL

Section 1. Employee Rights- Teacher Protection

INDIVIDUAL RIGHTS: There shall be no discipline or discrimination with respect to the employment of any person because of such person's age, sex, marital status, race, creed, color, national origin, domicile, political activity or lack thereof, or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification, provided that the prohibition against discrimination because of such handicap shall not apply if the particular disability prevents the proper performance of the particular worker involved.

The private and personal life of any employee becomes the appropriate concern or attention of the Board when the private and personal activity of the employee has a direct adverse effect upon said employee's ability to adequately perform his duties with the District or when the private and personal activity of the employee has a direct adverse effect upon the District's ability to provide quality education to the students.

Nothing contained herein shall be construed to deny or restrict to any employee such rights as he may have under applicable laws and regulations. The rights recognized hereunder shall not be exclusive but are in addition to those provided elsewhere.

RIGHT TO JOIN AND SUPPORT ASSOCIATION: Employees shall have the right to self organization, to form, join, or assist employee organizations, to bargain collectively through representatives of their own choosing, and shall also have the right to refrain from any or all of such activities.

TEACHER PROTECTION: No employee shall be disciplined without cause. Other than informal verbal warnings, information forming the basis of the reprimand will be in writing.

An employee has the right to have a representative from the Association and/or counsel present when formally being reprimanded, warned, or disciplined. The District agrees to follow a policy of progressive discipline unless the severity or nature of the employee behavior warrants more serious and immediate actions. The progressive steps shall normally be as follows: 1) Oral warning; 2) Written warning; 3) Suspension; 4) Discharge.

Any discipline shall be subject to the grievance procedure hereinafter set forth except that non-renewal or discharge shall be handled in accordance with statutory procedures.

Section 2. Professional Freedom

Employees shall be guaranteed professional freedom in classroom presentations and discussions and may introduce politically, religiously, or otherwise controversial material provided this is done on an informative basis only in conformity with school district policy directives. When such an issue is discussed, it is the responsibility of the teacher to encourage equal discussion on all sides of the issue. Teachers should guard against giving their personal opinions or views on controversial issues before and during the period of research and study, thus encouraging the student to search after truth and to think for themselves. Teachers who operate within these regulations shall have the full support of the Board and administration.

No mechanical or electronic device shall be utilized in any classroom or brought in on a temporary basis which would allow a person to be able to listen to or record the procedures in any class without the prior knowledge of the employees involved.

Section 3. Personnel Files

Employees shall, upon request, have the right to inspect the contents of their personnel file during regular administrative center business hours in the presence of a District representative. Copies of any document in the file will be supplied to the employee upon request at their expense. A file for processed grievances shall be maintained separately from the personnel file.

No secret, duplicate, alternate, or other personnel file shall be kept anywhere in the District. Building administrators may maintain in their buildings documents which include but are not limited to teacher observation records and correspondence relating to employees so long as the employee has been provided a copy of the document as soon as possible but no longer than thirty-five (35) days of its receipt or composition. Documents not provided within the thirty-five days shall not be used as evidence in any grievance, disciplinary hearing, or adverse action proceeding.

No evaluation, correspondence, or other material making any reference to an employee's competence, character, or manner shall be placed in the personnel file without the employee's knowledge and right to attach written comments. The employee shall acknowledge that he has read such material by affixing his signature and the date on the actual copy to be filed. Such signature merely indicates that he has read the material and does not necessarily indicate agreement with the content.

Section 4. Evaluation and Probationary Procedures

I. GENERAL

Certificated classroom teachers and certificated support personnel shall be evaluated in accordance with procedures and criteria set forth herein. The primary purpose for evaluation is to increase the opportunities for learning through the improvement of instructional performance. Evaluation should be a positive, developmental, and continuous process. The procedures herein shall be directed toward improved learning conditions for students, assisting teachers in a self improvement, and assessment of employee performance.

II. EVALUATOR'S PRIMARY RESPONSIBILITIES

- A. Principals shall meet with all teachers/CSPs new to the District to review and discuss the evaluation system in order to develop mutual understanding of the evaluation system, process, procedure and purpose.
- B. Within each school, the principal shall be responsible for the evaluation of teachers/CSPs assigned to that school. However, a teacher/CSP assigned to more than one school shall be evaluated by an administrator assigned to that task provided such teacher/CSP is notified in advance of the administrator so assigned.
- C. Principals may designate other administrators to assist in the evaluation process provided that person is not from the bargaining unit.

- D. The building principal or his/her designee will be responsible for evaluating special education staff.
- E. Itinerant personnel, by the nature of their job assignment, work under the supervision of different building principals. In order to promote good personnel management and continuity of evaluation, the district will assign one principal as the itinerant personnel's supervisor and evaluator. The designated principal will be responsible for the itinerant personnel's formal evaluation. However, other administrators may assist in the evaluation provided that any observations used are documented in accordance with the procedures as outlined in IV.A, 5-7.

III. INFORMAL OBSERVATIONS

In addition to the formal observations above, informal observations (of less than thirty (30) minutes in duration), or a series of observations (two or more observations occurring within any ten (10) working days) may be utilized by the evaluator at his/her discretion provided the observation is of sufficient length to allow the evaluator to adequately assess the situation being observed and the evaluatee receives a copy of the record compiled (evaluation report form) by the evaluator. These evaluations may be individual or in a series. Informal observations shall not be utilized as the primary evidence in any non-renewal proceedings unless in exceptional cases.

IV. CRITERIA/FREQUENCY

The evaluative criteria contained herein shall constitute the basis upon which employees are evaluated. Evaluations required or permitted herein shall be documented on the evaluation report form appropriate to the teacher/CSP's position. Report forms are attached hereto as Appendix D. Evaluation reports will be completed at least once each year.

V. AN EVALUATION SYSTEM

Incorporating four separate processes (Long, Short, Professional Growth, Remediation) shall include the opportunity for each teacher/CSP to have a minimum of two confidential conferences during each school year, the sole purpose of which shall be to provide additional information to aid the evaluator in evaluating the teacher/CSP and with providing direction, assistance, guidance, encouragement, etc., to the employee. Such conference may be either following receipt of written evaluation results or at a time mutually satisfactory to the participants.

- A. SUMMATIVE LONG FORM PROCESS, designed to determine that a teacher/CSP is meeting minimum established performance criteria, shall be used for all teachers/CSPs:
 - 1. during their first four years in the district;
 - 2. teachers/CSPs with less than four continuous years of satisfactory evaluations;
 - 3. all teachers/CSPs at least once every three years;
 - 4. all teachers within the Remediation Process.

PROCEDURES:

1. The Summative Long Form Process may include optional professional growth goals. Such goals shall not be used to determine teacher's/CSP's performance in meeting the minimum criteria.
2. All teachers/CSPs newly employed by the District shall be observed at least once for a total observation time of thirty (30) minutes during the first ninety (90) calendar days from the commencement of their employment. Such teachers/CSPs shall be considered provisional employees for two years unless the employee has previously completed at least two years of certificated employment in another Washington State School District.
3. During each school year, each teacher/CSP shall be observed for the purpose of evaluation at least twice in the performance of his/her assigned duties. Total observation time for each teacher/CSP in each school year shall not be less than sixty (60) minutes. One observation shall be at least thirty (30) minutes in duration. Additional observations may be documented by the evaluator.
4. Following each observation, or series of observations, the evaluator shall promptly document the observations in writing and shall provide the teacher/CSP with a copy of the observation record within seven working days following the observation(s).
5. Within five (5) working days of receipt of the observation record, the teacher/CSP may submit signed comments concerning his/her observation record. These signed comments shall be made a part of the official observation record. A conference may be requested by either party.
6. EVALUATION PROCEDURES
 - (a) Following each observation or series of observations, the principal or his/her designee shall promptly document the results thereof. The employee shall be provided with a copy of the evaluation report within three (3) days after such report is prepared.
 - (b) The employee shall sign the District copy of the evaluation report and shall be provided a copy of said report. The employee's signature indicates only that he is aware of the comments and summary statements recorded thereon and shall not be interpreted as an indication that the employee necessarily agrees with the comments and/or summary statements. The evaluatee shall have the right to affix to the evaluation report any comments, observations or considerations he believes to be pertinent to said evaluation report.
 - (c) Each formal evaluation report required above (Section II-B) shall be forwarded to the school district's personnel office for filing in the employee's personnel file.

- (d) Following the completion of each evaluation report, or at a time mutually satisfactory to the participants, a meeting shall be held between the evaluator and the employee to discuss the observation and evaluation.
 - 7. Evaluation reports from the Summative Long Form Process will rate the teacher's/CSP's performance as *Satisfactory*, *Needs Improvement*, or *Unsatisfactory*. Specific deficiencies and remediation suggestions shall be cited with ratings of *Needs Improvement* or *Unsatisfactory*.
 - 8. When an employee receives a *Needs Improvement* evaluation summary, the employee will be placed in the Remediation Process.
 - 9. For provisional employees, an *Unsatisfactory* evaluation summary shall be sufficient cause for nonrenewal of employment for provisional employees via RCW 28A.405.220 procedures.
 - 10. For continuing employees, an *Unsatisfactory* evaluation summary will result in the use of probation procedures described in RCW 28A.405.100 to effect improvement to the satisfaction of the evaluator or establish probable cause for nonrenewal via RCW 28A.405.300 and 28A.405.210 procedures. Remediation Process procedures shall be used when an unsatisfactory evaluation summary report is dated after February 1.
- B. SUMMATIVE SHORT FORM PROCESS may be used after a teacher/CSP has four years of satisfactory evaluations within the district. However, the process described in IV. A. shall be used at least every third years and either a teacher/CSP or an evaluator may elect to have the long form used in any given year.

(New employees do not qualify for the Short Form.)

- 1. During each school year each teacher/CSP shall be observed in the performance of assigned duties for the purpose of evaluation with either:
 - a. a thirty minute observation during the school year with a written summary
OR
 - b. a final annual written evaluation based on at least two observation periods during the school year totaling at least sixty minutes without a written summary of such observation being prepared.
- 2. The evaluation report process described under IV. A. 4-6 will follow either of the observation processes described above.
- 3. Evaluation reports from the Summative Short Form Process should rate the teacher/CSP *Satisfactory*.
- 4. Evaluators with concern that a teacher's/CSP's performance rank may be *Unsatisfactory* will activate the Summative Long Form Process (IV. A.) and explain the change in writing to the employee no later than February 1 of the school year.

Teachers/CSP's moved from the Short Form to the Long Form within a school year cannot be placed on probation during that same school year.

5. No more than two-thirds of a building staff may be on short form at a time, for example,

Year	1	L	S	S
	2	S	L	S
	3	S	S	L
	4	L	S	S

6. Summative Short Form evaluation process will be used with Professional Growth Option participants.

- C. PROFESSIONAL GROWTH OPTION (PGO, a formative evaluation process), designed for collegial involvement, to accomplish professional growth and improved instruction, shall be available and shall be voluntary to each teacher/CSP who has received a Satisfactory summary evaluation for the last four annual evaluations. Participants in the Professional Growth Option must return to the Summative Long Form evaluation process at least every third year. Procedures:

1. In the Professional Growth Option teachers/CSPs and supervisors cooperatively establish goals and monitor the progress being made toward those goals. The teacher/CSP may request that an observation include an opinion on rate and/or level of progress. Goals shall be consistent with building and District goals, be designed to promote an individual's professional growth and to improve instruction.
2. Recommended number of employees entering the Professional Growth Option in any one school year should not exceed one-third of a building staff. (Note evaluators may need selection criteria in order to respect the recommendation.)
3. Summative Short Form evaluation procedures shall be used in the Professional Growth Option and will be adapted to accommodate cooperatively planned Professional Growth activities.
4. If a teacher changes building location, the Summative Long Form process shall be followed for that school year.
5. Each year teachers/CSPs eligible for the Professional Growth Process will be given the opportunity of notifying their evaluator if they wish to pursue this option and commit to attend a meeting regarding Professional Growth Process (goal setting, communication, the improvement of instruction, etc.). This will allow individuals to plan their Professional Growth Process program and participate in summer activities where applicable.
6. During September and October participants and supervisors shall meet to thoroughly discuss the potential goals and cooperatively complete the planning worksheet. Teachers should have in mind the goals, the areas to be investigated, alternatives for support, colleagues to be involved, methods for collecting data and the methods for evaluating growth toward the goals. During this meeting, the supervisor shall act as an advisor in order to clarify and refine the goals and the other aspects of the process, collegial sharing, input from parents/students/colleagues, practical goal setting and self assessment, and relationship to building/District goal focus will be considered.

7. Throughout the year, the teacher and supervisor shall meet formally and informally to discuss collaboratively the progress on the goals and to refine and update any need for assistance.
8. Prior to June 1, a final meeting shall be held to analyze data and review the success of the goals. At this meeting the Growth Option Verification shall be compiled collaboratively on the short form evaluation report and submitted to the District personnel file.
9. Information from the Professional Growth Option cycle may not pass to the summative evaluation cycle nor the personnel file.

Although some goal setting in the Professional Growth Option may be based on information gathered in the Summative cycle, information may not pass from the Professional Growth Option to the Summative in order to ensure that teachers take risks and try new things. It is conceivable that all stated goals may not be reached in a given year for a variety of circumstances and analysis of such circumstances can also be a learning experience. Attainment of some goals may take more than one year.

A Formative file will be available to both teacher and administrator and it may contain the following:

- annual goals
- notes from meetings
- data gathering methods
- data, if applicable

At the end of each year, the teacher will retain the file and data. A copy of the P.G.O. Plan, if any, will be provided to the primary evaluator upon request.

10. At all times during the Professional Growth Option, collaborative interaction, based on trust and confidence, is encouraged.
- D. REMEDIATION PROCESS will be used when a Summative Long Form evaluation report ranks a teacher's/CSP's performance as *Needs Improvement*, during any time of the year or *Unsatisfactory* after February 1.
1. Remediation Process focus shall be assisting the employee to develop and implement a plan for improving performance to a satisfactory level. A mutually agreeable plan is desirable. Failing such, the primary evaluator shall be responsible for determining the plan.
 2. Teachers/CSPs will remain in this track until they receive a satisfactory evaluation report or insignificant improvement results in an unsatisfactory evaluation report and consequent recommendation for probation.

VI. PROBATION

- A. SUPERVISOR'S REPORT. In the event that a principal or his designee determines on the basis of the evaluation criteria that the performance of an employee under his or her supervision is unsatisfactory, the supervisor shall report the same in writing to the Superintendent on or before January 20. The report shall include the following:

1. Evaluation of performance to date.

2. A recommended specific and reasonable program designed to assist the employee in improving his or her performance.
 3. A copy of said report shall be submitted to the employee. If the employee disagrees with or questions any results of the evaluation procedures or disagrees with any statement contained in the above report, that employee may, within five (5) days after delivery of the formal evaluation report, deliver a detailed statement concerning the points of disagreement to the Superintendent for inclusion in the employee's personnel file.
- B. ESTABLISHMENT OF PROBATIONARY PERIOD. If the Superintendent concurs with the supervisor's judgment that the performance of the employee is unsatisfactory, the Superintendent may place the employee in a probationary status beginning on or before February 1 and ending no later than May 1. On or before February 1, the employee shall be given written notice of the action of the Superintendent, which notice shall contain the following information:
1. Specific areas of performance deficiencies.
 2. A suggested specific and reasonable program for improvement.
 3. A statement indicating the duration of the probationary period and that the purpose of the probationary period is to give the employee the opportunity to demonstrate improvement in his or her area or areas of deficiency.
- C. EVALUATION DURING THE PROBATIONARY PERIOD
1. At or about the time of the delivery of a probationary letter, the principal or his/her designee shall hold a personal conference with the probationary employee to discuss performance deficiencies and the remedial measures to be taken. At said conference, the employee may elect to have present a representative of the Association.
 2. During the probationary period, the principal or his/her designee shall meet with the probationary employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made by the employee. A copy of the same shall be provided to the employee.
 3. The probationary employee may be removed from probation at any time if he or she has demonstrated improvement to the satisfaction of the principal or other supervisor in those areas specifically detailed in his or her notice of probation.
- D. SUPERVISOR'S POST-PROBATION REPORT. Unless the probationary employee has previously been removed from probation, the principal or his designee shall submit a written report to the Superintendent at the end of the probationary period, which report shall identify whether the performance of the probationary employee has improved and which shall set forth one of the following recommendations for further action:

1. That the employee has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status; or
2. That the employee has demonstrated sufficient improvement in the stated areas of deficiency to justify the removal of the probationary status if accompanied by a letter identifying areas where further improvement is required; or
3. That the employee has not demonstrated sufficient improvement in the stated areas of deficiency and action should be taken to non-renew the employment contract of the employee.

E. ACTION BY THE SUPERINTENDENT. Following a review of the supervisor's post-probation report, the Superintendent shall determine which of the alternative courses of action is proper and shall take appropriate action to implement such determination.

VII. APPLICABILITY TO GRIEVANCE PROCEDURE

The provisions of Article V, Grievance Procedure, shall be applicable to evaluation only as it relates to procedural issues provided that no grievance proceeding shall limit the authority of the school district to proceed with probationary and/or non-renewal action pursuant to the procedures established by state law.

The Anacortes School District will provide its employees the following insurance with regard to the above matters:

- A. Personal injury liability in the amount of \$100,000 per individual and \$300,000 per occurrence.
- B. Personal property damage liability in the amount of \$300,000.

Section 6. Vacancies, Postings, Assignments, Transfers, and Involuntary Transfers:

In the determination of assignments, transfers, and involuntary transfers the convenience and work of the employee shall be considered to the extent that these considerations do not conflict with the educational program.

- 6.1 Vacancies: A vacancy shall mean any open or unstaffed assignment as designated by the Board.
- 6.2 Postings: To assure that the employees are given every consideration in filling any vacancies which occur at any time within the District, the following

procedure shall be used. All vacancies shall be publicized to the staff and Association as far in advance of the date of the opening of any vacancy as possible.

- A. Postings will be displayed in officially-designated locations in each of the District's buildings and entered into a voice mailbox. The message shall include at least the posting date and closing date.
- B. Openings will be supported by a job description and any other special qualifications required for the position, as well as procedures for applying.
- C. Current employees who meet all reasonable qualifications for a job posting shall be interviewed and fully considered prior to interviewing other applicants.

6.3 Assignment. An 'assignment' shall mean the placement of an employee in a specific building. To assure that pupils are taught by employees working within their areas of competence, employees shall not be assigned, except in accordance with the regulations of the State Board of Education, to subjects, grades, and/or other classes outside their teaching certificates, endorsements, and/or minor fields of study or qualifications in specialty areas. Normally, employees shall be notified in writing no less than sixty (60) days prior to any substantive changes in their teaching assignment. Reassignments within a building may occur prior to posting of open positions.

6.4 Transfer: A 'transfer' shall mean a change of assignment from one building to another. Current employees, if they meet all reasonable qualifications for the posted position, shall be interviewed and fully considered prior to interviewing other applicants.

6.5 Involuntary Transfer: An 'involuntary transfer' shall mean the reassignment of an employee when the employee does not seek the reassignment.

In the event the District determines that circumstances require a transfer of staff and no qualified staff member voluntarily accepts the necessary transfer, then the Superintendent will determine that an involuntary transfer action needs to be implemented. A pool of potential involuntary transferees shall be designated. Each potential transferee shall be considered on the basis of information contained in his/her staff development plan, his/her past performance, and any other pertinent factors.

In the event two or more potential transferees are deemed equally qualified by the District, the least senior employee under consideration shall be involuntarily transferred. Each involuntary transfer will be considered on its own merits and every attempt will be made to minimize disruption to the instructional program. The Superintendent shall notify the person to be involuntarily transferred in writing and shall stipulate the reasons for the transfer. Such notification shall take place before the involuntary transfer is to be implemented.

Except in emergencies, at least ten (10) days written notice will be given to the person who is to be involuntarily transferred. However, the involuntary transfer will be tentative until the teacher has had the opportunity to appeal the decision through the grievance procedure. Such appeal shall be limited to alleged procedural violations of this involuntary transfer policy. Appeals on any aspect

other than the procedure will be submitted to the District's Board of Directors in accordance with Article 5, Section 1, Class B, Grievance.

Employees who have been involuntarily transferred and who notify the District of their desire to return will be transferred back to the last assignment held if or when that former assignment becomes vacant. This consideration shall expire two years from the date of the involuntary transfer.

A person involuntarily transferred during the school year will be granted one (1) of the options listed in Section 8, 'New Curriculum Responsibilities'.

Section 6.6. Job Share

Definition

Job Sharing is when two (2) applicants wish to take responsibility for all the functions of one (1) full-time position.

Application Procedures

- a. Two (2) current staff members who wish to be considered for a job share must make application as a team, in writing, to the building principal/unit administrator. The application must address all of the items needed to share the duties and responsibilities of one (1) position.
- b. External applicants or a current employee and external applicant who wish to be considered for a job share may apply for an open position to the District personnel office following standard District procedures. In addition to the normal application process, successful applicants must submit a written plan as a team.
- c. Job sharing other than described in a. and b. above may be authorized at the discretion of the administration based on the best interests of the District.
- d. It is expected that the job share partners will jointly develop an application that will have given thorough consideration of all aspects of the position to be shared. Criteria for the plan may be obtained from the District personnel office or from the Anacortes Education Association.

Administration Approval

The administration must approve the job sharing proposal before it can be implemented. Normally there will be no more than two (2) job share partners per building/campus; this number may be increased at the discretion of the District. The District decision to approve or not approve a proposal will not be subject to the grievance procedure.

Financial and Contractual Arrangements

- A. Continuing contract staff members holding job sharing assignments shall be granted the appropriate annual fractional leave during the period of job sharing.
- B. Job share participants will qualify for salary advancement; experience credit, sick leave, inservice per diem opportunities, and other benefits as would any other part-time certificated employee, except: the staff development incentive stipend will be granted per position and shared by job share partners.
- C. It is recommended that job share applicants check the Teachers' Retirement System rules prior to making a decision regarding job sharing. Eligibility and service credit requirements differ for part-time employees and may result in partial or no service credit.

- D. Should a job share participant resign or take a leave of absence prior to or during the school year, the job share situation will be handled as follows:
 - 1. Offer full-time employment to the remaining job share person;
 - 2. Seek a comparable replacement, with remaining partner working full-time until a replacement is found; or
 - 3. If the remaining partner is unable to assume the full-time responsibility until a replacement is found, a substitute will be identified to work until a replacement is found.
- E. It is expected that job share partners will substitute for one another when feasible. This can be handled by:
 - 1. Specifying the number of days, or partial days, each person will work and adjusting work days to accommodate substituting;
 - 2. If a job share partner is going to be on an extended leave (over twenty consecutive days), the remaining partner will substitute at per diem; or
 - 3. When a job share partner is absent periodically, the remaining partner will substitute at the represented substitute rate of pay.
- F. One job share partner may transfer to another building in order to job share. However, job share positions are not eligible under the voluntary transfer section of the collective bargaining agreement.

A planning committee as described above will determine how any remaining hours from these additional seven (7) hours of optional time will be used.

The above optional days will be offered with the assurance that the building principal and/or program director will provide documentation of the time worked to meet the approved auditing standards.

Staff Development Incentive Stipend Pooling Language:

At the end of each contract year, the District will place 100% of all unclaimed Staff Development Incentive Stipend monies in a pool to be distributed in the subsequent school year as follows:

Though early release within a school day is discouraged, in exceptional cases this procedure may be followed at staff request and with prior approval of the principal.

The parties recognize the importance of certain activities that occur after or extend beyond the contracted work day. For example, faculty are encouraged to attend up to two faculty meetings per month which may extend beyond the normal work day, one open house per year, and one building level program.

In addition, the parties encourage employees to volunteer to serve on District and/or building committees within their area of interest.

- D. A release from contract may be granted in case of illness or other personal matters which make it impossible for the employee to continue in the District.

Section 8. Staff Reduction

- A. APPLICATION: This procedure shall apply equally to all certificated employees of the District.
- B. PROCEDURE: The provisions of this procedure shall be implemented when the Board takes action to reduce the number of certificated employees covered by this agreement due to one or more of the following conditions:
 - 1. Failure of anticipated revenues to materialize, making it impossible to maintain the educational program at the existing level after consideration is given to existing costs plus inflationary increases.
 - 2. Elimination or reduction of existing programs.

If the above occurs, the following factors shall apply:

- (1) Where revenues are categorical and depend upon actual expenditures rather than budgeted amounts, every effort shall be made to maintain those programs to the limit of the categorical support.
 - (2) The District shall allow all certificated employees who so choose, upon written application, a leave of absence for the ensuing school year. Further, any certificated employee taking such leave shall be re-employed at the end of the ensuing school year at the same or comparable position and/or level and with no loss of rights, benefits or seniority which would normally have accrued to him/her had he/she been re-employed during the school year, provided positions are open for which he/she qualify. Should revenue not be available to re-employ those individuals during the ensuing year and implementation of this policy is again necessary, this staff reduction policy shall be applied to those individuals previously on leave in accordance with its application to all other staff members.
- C. STAFFING THE REDUCED PROGRAM OR SERVICE:
 - 1. To insure that the staff that is recommended for retention will be qualified to carry out the educational program prescribed by the board, all employees must possess valid Washington State Certification as may be required for the position(s) under consideration.
 - 2. The following categories are established to allow for the least disruption of the ongoing educational program and to provide for the least deviation from the present assignment of personnel. Teaching staff will be grouped district-wide in categories as follows: (a) elementary K-6; (b) secondary 7-12 by subject area; (c) specialists (each area shall constitute a separate category i.e., elementary art,

elementary music, elementary physical education), psychologists, counselors (elementary category and secondary category), librarians, speech therapists, reading lab instructors; (d) special education - all personnel supported by special education funding.

3. The placement in ranking within a category and/or subject area listed in 2(c) above for an individual certificated employee will be implemented as follows:
 - A. Determine the total number of years of teaching experience for each category and/or subject area. Consider first the experience in the teacher's current assignment. If the experience in the current assignment is not sufficient to maintain the teacher on staff, then go to Step B.
 - B. If experience has been earned in more than one category, then select the category with the largest number of years of experience. Add to that number the sum of the years of recorded experience. The sum is the district seniority that is then assigned to the category in which the individual has the most experience. In the event that seniority is the same in two or more categories, then all seniority is assigned to the category which reflects that individual's current assignment.
 - C. Special education staff, as defined in Category C2d must meet the requirements of education and experience in accordance with WAC 392-45-105.

*NOTE: For category 7-12, placement into a subject area will be determined by the largest number of sections taught in a subject area during the current and two preceding school years. The subject areas are: science, math, foreign language, p.e./health, music, arts/crafts, social science, home economics, bus. ed., auto shop, drafting, wood shop, metal shop, graphics, lang. arts, electricity, computer science.

2. When more than one person qualifies for a particular position under the criteria listed above, the person who has achieved the greatest horizontal advancement on the district salary schedule shall be given the position. If a tie still exists, the individual with the most quarter hours beyond the BA, as recorded in the District office as of April 1 of the current year preceding the anticipated reduction, will be given the position.
3. Deviations from selection on the criteria as listed above (C, D) may be made where necessary to comply with the affirmative action program requirements as specifically mandated by an appropriate governmental agency other than the District.
4. Prior to the date specified by statute immediately preceding the school year in which the modified educational program will take effect, the Superintendent shall take such action as may be required by statute to non-renew or adversely affect the employment contracts of affected employees.

E. RECALL

1. All certificated staff who receive notice of probable cause will be placed in a District employment pool. All vacancies will be filled from the employment pool with the required qualifying criteria for a particular position. In filling any vacancy, the same criteria specified above shall be used.
2. The term 'vacancy' shall be liberally construed and shall include all positions that may become available for any reason. The Association will consult with the District respecting the seniority lists and make every effort to resolve any disputes with respect to said lists. Failure of the District to provide the seniority lists by the date contained herein shall in no way invalidate or mitigate any reduction in staff made under this agreement.

Section 9. Salaries and Stipends

The salary schedule is designed to afford consistent and fair treatment for present employees, to attract desirable, qualified employees, and to reward professional preparation, experience and service.

1. Salary Calculation:

The District agrees to pass through to certificated employees, flow through state funded salary increases during term of agreement through the following calculation:

A. Increments:

- 1) Experience increments will be granted based upon proper placement on the District salary schedule (Appendix A).
- 2) Education increments will be granted by October 1 of each year, retroactive to September 1 of each year, based upon proper placement on the District salary schedule (Appendix A).

B. The new base salary shall be calculated as follows:

- 1) All Basic Education Certificated non-supervisory employees shall be given proper placement on the District salary schedule. The number of points by such placement shall then be calculated.
- 2) Using the same employees as per (a) above and using the methodology adopted by S.P.I., the maximum salary dollars will be calculated.

- 3) The result of (b) above shall be divided by (a) above. The resulting dollar amount shall be the new salary schedule base.
 - 4) Prior to effectuating the pass through increase, the District shall meet with the Association to review the above calculations.
- C. Employees shall be paid in accordance with the new base salary not later than the November payroll with pay retroactive to September 1st, provided the Agreement has been ratified by both parties prior to the payroll cutoff date, or else the retroactive pay will be made on the following payroll. In the event the District is found to be out of compliance, then the District and the Association shall negotiate how to best bring the District into compliance. Deductions shall be made by deducting such amount or amounts in equal portions from the monthly salary warrants due the employee for the balance of the school year. If the employee terminates his/her employment prior to the end of the school year or prior to the deduction of the full amount due, the employer shall be entitled to recover the same from the employee from the employee's final payment or suit in any court of competent jurisdiction.

A certificated employee retiring may have his/her sick leave buyout payments remitted directly to a sick leave conversion program selected by the Association. Such program will provide reimbursement of medical, dental and vision expenses, if the employee completes the enrollment form and signs a hold harmless provision. Any retiring certificated employee participating in the sick leave conversion program shall hold the District and the Association harmless should the IRS find that the District or the employee is in debt to the United States government for not paying income taxes due on any amounts or as a result of the District not withholding or deducting any tax, assessment, or other payment on such funds as required by federal law. Neither the District nor the Association makes any representations or warranties with respect to the tax consequences of the program nor to the ability of the program sponsor or insurer to fulfill its obligations under the program.

Any eligible certificated employee who does not wish to sign the hold harmless provision will not be permitted to participate in the plan at any time during the term of this agreement, and any and all excess sick leave which in the absence of this agreement would accrue to such employee during the term hereof, shall be forfeited together with all cash conversion rights that pertain to such excess sick leave.

Requests shall be made to the Superintendent and he shall communicate such requests to the members of the Board within ten (10) days following receipt of the leave request with his recommendations for their final decision. The Board will act upon said requests within forty (40) days or at the next regular Board meeting, whichever occurs first. All approvals and denials will be in writing.

receiving employee's absence and the use of the shared leave are justified; iii) the receiving employee has depleted, or will shortly deplete, his/her sick leave; and iv) the receiving employee has diligently pursued and been found to be ineligible for worker's compensation benefits.

5. The Superintendent/designee shall monitor the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total or more days than constitute his/her regular work year.

The names of all employees, their building, grade, and subject assignments shall be provided to the Association as soon as possible each fall.

Section 2. Class Size

The following instructional load standards are established except for traditional large group instruction classes, such as music, K-6 physical education, team teaching and special education programs for which state standards are prescribed, and except when the District because of financial crisis (such as levy failure) has significantly less money for the instructional programs than it traditionally has. Combined classes will use the lowest grade level to determine the class standard.

Class Size	
GRADE	Effective 1998/99 SHALL NOT EXCEED
K-1	23
2-4	24
5-6	28
7-12	30 average or 32 per class

Relief of Overloads

Should classes exceed the above numbers after the first five (5) student days of the school year at the elementary schools or the first five (5) student days of each grading period at the secondary schools (semester/trimester), the District will remedy these overloads with student transfer, addition of staff, new class sections, etc. within ten working days. If such a remedy cannot be accomplished the District will provide each affected teacher a salary adjustment of:

Elementary:

1 st student over the maximum	\$8.00 per day
2 nd student over the maximum	\$8.00 per day
3 rd student over the maximum	\$25.00 per day

Middle/High Schools:

\$8.00 per day per student (or fraction thereof) over the average of 30, or per student over 32 in an individual class, whichever is greater.

The above salary adjustments will be granted retroactive to the sixth (6th) day of the applicable term. It is clearly understood that in the event class loads drop below the identified numbers above, the applicable salary adjustment will cease.

The relief overload remedy provisions of the class size language will be implemented on October 1st and retroactive for affected employees to September 22, 1998 in the first year of the contract.

Specialists for the elementary school, librarians, counselors, and other school personnel who do not maintain a regular classroom shall not be counted in the teacher-pupil ratio determination.

Computation of Class Size: Class size is defined as the total of those students spending one-half or more of their instructional time in an assigned classroom. This provision shall be subject to the Grievance Procedure, Article V, only as a Class B Grievance. The decision of the Board of Directors shall be final and binding.

Section 2.5 Class Size/Load Review Team:

- 2.5.1 An advisory process for the purpose of reviewing unusual classroom/support staff loads shall be established.
- 2.5.2 The review team will review class size and teacher/support staff loads, to assure that the assignment of special needs students including but not limited to bilingual, special education, and remediation students are not excessively assigned to one classroom teacher/support staff. The focus will be to review concerns related to teacher/support staff loads and to identify alternative solutions. The process is not an advocacy forum nor an extension of the bargaining process, but a professional/collegial approach to resolving staff concerns. The Review Team will strive to reach a consensus on solving concerns brought to its attention and refer their solutions to the Superintendent.
- 2.5.3 Procedures for establishing teams: Individual classroom teachers or support staff who want their student loads reviewed should contact their building principal first to resolve their concern. If the concern is not solved, they, or their building principal may request, in writing, that their concerns be reviewed. The request should contain the statement of the concern and request(s) to remedy the concern. The written request shall be addressed to the Superintendent and the AEA President, who should then review the request and determine the need for further action. If necessary, they will each appoint up to three (3) representatives to review the concern. Written recommendations from the Review Team will be presented to the Superintendent within ten (10) working days.
- 2.5.4 The determination of a final solution, with supporting rationale, will be made by the Superintendent and communicated to all relevant parties in writing within ten (10) working days after the meeting in 2.5.3 above.

Section 3. Preparation Period

Preparation time shall be free from student supervision, parent visitation and duty imposed by an administrator.

Elementary teachers shall have a minimum of 225 minutes of preparation time per week. Such time will consist of at least four forty-five (45) minute blocks per week and be taken from: (1) forty-five (45) minute block at the beginning or ending of the workday before or after classes begin or end; and (2) time while responsibility for their classes is assumed by subject area specialists.

Section 4 7. Classroom Visitation

To be replaced with reference to board policy (to be adopted) concerning Classroom Visitations.

Section 5. Student Discipline

The Board and administration shall support and uphold employees in their efforts to maintain discipline in the District and as soon as possible shall give response to all employee requests regarding discipline problems. Further, the authority of employees to use prudent disciplinary measures which are not arbitrary nor capricious for the safety and well-being of students and employees, as provided in District policies, is supported by the Board. In the exercise of authority by an employee to control and maintain order and discipline, the employee may use reasonable and professional judgment concerning matters not provided for by specific policies adopted by the Board and not inconsistent with federal or state laws or regulations.

The District agrees to conduct informational meeting(s) at the building level for certificated employees concerning applicable federal, state, and local laws and district rules, regulations, and procedures pertaining to student rights and the processing of student discipline. The meeting(s) shall be held prior to September 30.

ARTICLE V. GRIEVANCE PROCEDURE

The purpose of this procedure is to provide a means for the orderly adjustment of grievances of District employees covered under the terms of this Agreement.

Section 1. Definitions as used in this statement:

1. Grievances are of two classes:

Class A. A dispute by an employee or the Association President concerning the interpretation or application of the terms of the Agreement. Grievance brought by the Association President may move automatically to Step III.

Class B. A dispute by an employee that an existing District policy, regulation or rule has been misinterpreted or misapplied.

2. 'Days' as used herein shall mean regular teacher contracted work days except that after the last regular teacher contracted work day, days shall mean District business days.
3. Time Limits: Failure of the District to act in a timely manner in Steps I, II, III, IV will automatically move the grievance to the next higher step for consideration. Failure of the grievant to act in a timely manner will nullify the grievant's claim at any step level. Time limits prescribed herein may be extended by mutual consent of the parties.

Section 2. Representation

The grievant may be represented by a representative of the Association and/or counsel provided that any employee at any time may present his grievance to the employer and have such grievance adjusted without the intervention of the exclusive bargaining representative, as long as such representative has been given an opportunity to be present at that adjustment and to make his/her views known, and as long as the adjustment is not inconsistent with the terms of this collective bargaining Agreement.

Section 3. Freedom from Reprisal

There shall be no reprisals by the School District or administrative personnel against any aggrieved party or local Association representative for reason of his participation in the processing of a grievance in accordance with the provisions of RCW 41.59.140.

Section 4. Assistance in Investigations

The District will supply the grievant, upon request, such information as is reasonably required for investigation or processing of the specific alleged grievance.

Section 5. Release from Duty

If attendance at mutually scheduled meetings, hearings, or appeals relating to the grievance adjustment process, whether as a grievant or witness, requires a certificated employee's (as covered by this Agreement) absence from his duty assignment, he shall be released without loss of pay. The Association shall reimburse the District for the cost of the substitute for the Association representative.

Section 6. Procedure

Step I, Class A & B:

An employee shall first present his/her grievance to his/her supervisor for settlement. Such presentation shall be made within thirty (30) days following the occurrence of the event giving rise to the grievance or first becoming known to the employee. The supervisor shall, within seven (7) days thereafter, provide to the employee his/her answer to the grievance.

Step II, Class A & B:

If the grievance is not resolved to the grievant's satisfaction in accordance with the preceding sub-section, the grievant has seven (7) days from the answer in Step I or seven (7) days from the time an answer should have been provided in Step I, to move the grievance forward by submitting it in writing to the grievant's supervisor. A statement of the grievance shall contain the following: (1) the facts on which the grievance is based; (2) a reference to the specific provisions in this Agreement which have been allegedly violated; (3) the remedy sought. The parties have ten (10) days from submission of the written statement of grievance to resolve it through meeting(s). A written statement indicating a disposition of the grievance shall be furnished to the aggrieved.

Step III, Class A & B:

If no settlement has been reached within the ten (10) days referred to in Step II, and the grievant believes the grievance to be valid, the grievant shall submit a written statement of his/her grievance to the District's Superintendent or his/her designee within fifteen (15) days of the written disposition in Step II, or fifteen (15) days from the time such disposition should have been due. After such submission, the parties will have fifteen (15) days to resolve the grievance through meetings. A written statement indicating a disposition of the grievance shall be furnished the aggrieved.

Step IV, Class B Only:

If no settlement is reached in Step III, Class B, within a specified or agreed time limit and the grievant believes the grievance to be valid, then a written statement of grievance shall be submitted within fifteen (15) days to the District Board of Directors. After such submission, the parties will have thirty (30) days to resolve the grievance. The Board of Directors reserves the right to summon the grievant for a hearing to review the grievance. The grievant reserves the right to appear before the Board of Directors for a hearing to review the grievance. A written statement indicating the disposition of the grievance shall be furnished the aggrieved. The decision of the Board shall be final and binding as rendered in this step.

Step V, Class A only from this point on:

If no settlement is reached in Step III and the grievance falls within the terms of the Class A definition, then the grievant may, in writing, within ten (10) days thereafter, request that the matter be submitted to an arbiter for prompt hearing as hereafter provided in 5.1 - 5.4 inclusive:

- 5.1 (a) Written notice of a request for arbitration shall be made to the superintendent within ten (10) days of receipt of the decision in Step III.
(b) The issue must involve the interpretation or application of a specific provision of this Agreement.
- 5.2 When a timely request has been made for arbitration, the parties may agree to select an impartial arbiter to hear and decide the particular case. If this process is acceptable, the arbiter shall be mutually selected within five (5) days after submission of the written request for arbitration. If it is not possible within this time frame or if selection as contained herein is not mutually acceptable, the provisions of 5.3 shall apply.
- 5.3 In the event an arbiter is not agreed upon as provided in 5.2, the parties shall jointly request the American Arbitration Service to submit a panel of seven (7)

arbiters. Such request shall state the general nature of the case and ask the nominees be qualified to handle the type of case involved. When notification of the names of the seven (7) arbiters is received, the parties in turn shall have the right to delete a name from the panel until only one (1) name remains. The remaining person shall be the arbiter. The right to delete the first name from the panel shall be determined by lot. The process shall be completed within five (5) days of receipt of the list.

5.4 Arbitration proceedings shall be in accordance with the following:

- (a) The arbiter shall hear and accept pertinent evidence submitted by both parties and shall be empowered to request such data as the arbiter deems pertinent to the grievance and shall render a decision in writing to both parties within twenty (20) days (unless mutually extended) of the completion of the hearings.
- (b) The arbiter shall be authorized to rule and issue a decision in writing on the issue presented for arbitration, which decision shall be final and binding on both parties.
- (c) The arbiter shall rule on the basis of information presented in the hearing and on the basis of the arguments and contentions of the parties as set forth in any pre and post hearing briefs, and shall refuse to receive any evidence after the hearing except by mutual agreement.
- (d) Each party on the proceedings may call such witnesses as may be necessary in the order in which their testimony is to be heard. Such testimony shall be pertinent to the matters set forth in the written statement of grievance. The arguments of the parties may be supported by oral comment and rebuttal. Such arguments of the parties, whether oral or written, shall be pertinent to and directed at the matters set forth in the grievance.
- (e) Each party shall pay any compensation and expenses relating to its own witnesses or representatives.
- (f) The costs for the services of the arbiter, if any, including per diem expenses, his/her travel and subsistence expenses, and the cost of any hearing room, will be borne by the losing party to the arbitration. All other costs will be borne by the party incurring them.
- (g) The total costs of the stenographic record, if requested, will be paid by the party requesting it. If the other party also requests a copy, that party will pay one-half of the stenographic costs.

5.5 All decisions arrived at under the provisions of this Step V Class A only by the representatives of the District and the Association or the arbiter shall be final and binding upon both parties, provided, however, in arriving at such decisions, neither of the parties nor the arbiter shall have the authority to alter this Agreement in whole or in part.
