

## **What Is An Election Judge**

Election Judges are part of the staff working Election Day Polls at all polling locations. Working on Election Day is long and often intense, but very rewarding. Election Day Poll Workers must be:

- Registered to vote in Hill County
- Able to attend a required training prior to Election Day
- Available to work from 6AM – 8:30PM (or until the polls close) on Election Day
- Bilingual in Spanish

Election Judges are appointed by the Parties and hired, trained and paid by the HCDP or Hill County Elections, with an additional orientation by HCDP a month prior to each election.

Election Judges will be responsible for picking up election equipment for the assigned precinct, locating Clerks to work at the polls and making sure the election is fair and problem-free.

Clerks, another type of poll worker, assist the voter as they sign in and cast their vote, and work from 6am-8:00pm, or hours deemed necessary by the Presiding Judge.

Election Day is the first Tuesday in March and November. There is always the possibility of a Runoff election in June and/or Special Elections in September.

Working Early Voting is a possibility, as available. Call Hill County Elections' Early Voting Department [(254) 582-472] to be added to the potential workers list at least 2 months prior to the election.
